## LOYAL SERVICE BY POSTAL EMPLOYEES PLEDGE OFFERED

First Social Gathering Held by  
Organization Large Success;  
Program Proves Delightful

GLENDALE postal employees holding their first social gathering last night at the Chamber of Commerce auditorium enthusiastically pledged their undivided support to the postoffice department with efficient, loyal, service featuring their efforts. Fidelity marked each short talk.

President Willard W. Hunt, of the carriers' association, speaking in behalf of that body, pointed out the necessity of co-operation and expressed their desire to render a service to the department that would result in placing the standard and efficiency of the Glendale postoffice among the foremost of the United States.

Thirty-nine employees and their wives attended the banquet and evening entertainment prepared by a committee composed of W. S. Hunt, A. S. Wood, H. Weger, F. C. Strong and J. Boettner.

### Ambition Is 100 Per Cent

Superintendent of Mails Fred B. Walker told of the growth of the Glendale postoffice within the last ten years. He was followed by C. S. Nickelson of the carriers who discussed the organization, saying:

"It is the ambition of every carrier working in the Glendale postoffice to make this organization a 100 per cent carriers' organization. We want our service, both inwardly and outwardly, to be marked by courtesy, loyalty and efficiency. We want the Glendale department to be more than a credit to the city."

The entertainment of the occasion was featured by the dancing of H. Kenneth Fraser, 10-year-old son of H. H. Fraser of the department. He was followed by the dancing of H. H. Fraser, 10-year-old son of H. H. Fraser of the department. He was followed by the dancing of H. H. Fraser, 10-year-old son of H. H. Fraser of the department.

Real Orchestra Developed  
The postal employees' orchestra proved the surprise of the evening. Jack Boettner, on the banjo; Post- (Continued on Page 3.)

## Mrs. W. F. Stahl Gives Pleasing Dinner Party

Mrs. W. F. Stahl entertained very delightfully at a dinner party Wednesday at her new home at 424 West Wilson avenue. The valentine idea was carried out in the table decorations of red and white. In the afternoon Miss Elsie Whitney, great-niece of Mrs. Stahl's, entertained with several readings, including one entitled "The Stuttering Lover." Mrs. Stahl was assisted in serving by Mrs. J. N. Humbert and Mrs. Charles H. Whitney.

Place cards were laid for Mrs. O. Davidson and her house guest, Mrs. Williams of New York, and for Mesdames A. Foreyth, Dione, W. Pearl, Stowe, Metzger, J. N. Humbert, Darley, Charles H. Whitney and W. F. Stahl. In the afternoon Mesdames McKee, Key, Cheney, Hall and Miss Elsie Whitney joined the party and were served a delightful luncheon.

## Jack Frost Destroys Quantity of Geraniums

What had been a two-acre mass of brilliant colored geraniums last summer on South Glendale avenue is now a patch of withered brown stalks, having been blasted by the recent visitation of Jack Frost. This nursery is owned by Mr. and Mrs. U. V. Housnell and they have shipped plants to practically every state in the Union as well as Canada. They state that there will be very few plants shipped this spring and those only because they were specially protected. Their stock comprises over 100 varieties and probably embraces more kinds than any other one nursery.

## GUILD ELECTS OFFICERS

At the regular monthly meeting and supper of the Westminster Guild of the Presbyterian church, which was held last night, the following officers were elected for the ensuing year: Marjorie Smith, president; Bill Cole, vice-president; Maurice Baker, secretary; Margaret Majors, treasurer; Mrs. Rex Kelley, Mrs. Nelson and Mrs. Lennox, patronesses. After short talks by the newly elected officers on the work for the coming year, the remainder of the evening was spent studying the book on Africa. There were fifteen members present.

## NEWLY WEDS VISIT HERE

Mr. and Mrs. Robert F. Kolts, who were married in Los Angeles on Wednesday night, were in Glendale yesterday visiting with friends and former schoolmates. Both Mr. and Mrs. Kolts are well known in this city; having graduated from the local high school several years ago. Mrs. Kolts was formerly Miss Carol Wilford.

## NEW GARBAGE CONTRACT FOR CITY OF GLENDALE DRAWN UP BY OFFICIALS

Dead animals over ten pounds in weight are not garbage, according to the contract just drawn up between the city administration and S. A. Martin and H. M. Low.

Under the terms of this agreement the city is to collect the garbage as at present and deliver it daily to a ranch on San Fernando road near Aliso avenue, two and a half miles west of Burbank.

"Yes, it will be fed to hogs just the same," remarked City Manager W. H. Reeves this morning. "No, not the same hogs—different hogs."

For the first six clear days of every month the garbage is to be weighed and the weight used as a basis for payment to the city of approximately \$1 a ton. This rate is based upon Los Angeles market quotations on live weight. Settlement is to be made with the city before the tenth of each month.

The price paid by the residents of Glendale for the collection of garbage now is much less than that charged in any other city, according to Mr. Reeves, and there will be no change in this rate.

## TWO CRACK TRAINS ON S. P. SYSTEM TO STOP HERE

Glendale's Position as 'Fastest  
Growing City' Recognized  
by Railroad Officials

Glendale no longer is a dot on the Southern Pacific map.

Henceforth it will not be listed as a "flag station," for Sunday will see it as a full stop for two crack trains—the Seashore Express, northbound, and the Sunset Limited, southbound. F. E. Watson, assistant general passenger agent with headquarters in Los Angeles, personally called at The Glendale Evening News office to make this important announcement—an epoch in the history of this fastest growing city in America.

### Trains, Time, Place

The Seashore Express, known as No. 17, and due in San Francisco at 8:25 a. m. will stop for passengers and baggage for San Jose and northern points, including the Bay Cities, at 5:22 p. m.

The Sunset Limited, No. 102, which leaves San Francisco at 5 p. m., is due in Glendale daily at 7:22 a. m., beginning Sunday, February 12, thus affording local people the opportunity of traveling to and from the Bay Cities or Sacramento with the utmost facility.

Both trains carry dining car, observation, and full Pullman equipment.

### Commands First Class

Mr. Watson assured the Chamber of Commerce, which has been active in obtaining this improved service, that the stops will be indicated on all new time tables and Glendale will be placed definitely on the maps as a "first class" city.

This change, it is said, also has been due to the fact that Glendale is now listed as a "first class post-office" and this commands the respect of the United States railway mail service. Postmaster D. Ripley Jackson personally advised that all mail trains be stopped here.

To tourists and business men alike the additional train service will be well worth the effort of the local officials and a more accessible station is the next thing on the S. P. program.

## Dr. H. A. Zeiler Talks on Blood Transfusion

The Glendale Physicians' Club met last night at the laboratory of Dr. Henry R. Hatrower. Many physicians from surrounding towns were also present to hear Dr. H. A. Zeiler, a prominent specialist of Los Angeles, lecture upon the subject of "Blood Transfusion."

Dr. Zeiler conducts a laboratory in Los Angeles where he carries on his scientific work and consequently his discourse was based on actual clinical experience.

### TO TALK ABOUT FLOWERS

Cecil E. Houdyshel, instructor of agriculture at Los Angeles Polytechnic high school will be the speaker tonight at the Men's club which will meet at the Tropic Presbyterian church. According to S. H. Wilcox, 1924 Gardena avenue, Mr. Houdyshel is an authority on flowers and will speak on this subject. The meeting is open to both men and women.

## AIDS SOUTHERN SECTION

In order to facilitate registration in the southern section of the city a deputy registrar of voters will be stationed at the branch library building at South Brand boulevard and Los Feliz road Saturday evening from 5 until 8 o'clock.

## OWEN C. EMERY IS NAMED JUSTICE OF THIS TOWNSHIP

Local Attorney Is Appointed to  
Fill Vacancy Caused by  
H. M. Miller Resigning

Attorney Owen C. Emery, 106-A East Broadway, this morning announced his appointment by the County Board of Supervisors as justice of the peace for this township.

This afternoon Mr. Emery was scheduled to travel to Los Angeles and take the oath of office, which will permit him to take up his new duties immediately.

The appointment came as somewhat of a surprise, according to Mr. Emery, who stated that he had not filed application for the position. The vacancy occurred through the recent resignation of Harry M. Miller of 114 East Broadway, who had held the office for some time. He had found it desirable to give all of his time to his real estate business.

### Continues Legal Business

Mr. Emery stated emphatically that he accepted the appointment with the specific understanding that he would continue to practice law in every court except his own. He expects to continue his legal business as usual.

Justice Emery resides at 102 South Brand boulevard. He is a son of Mr. and Mrs. E. U. Emery of 323 North Kenwood street and has been a resident of Glendale for the past sixteen years.

For the past seven years he has practiced law in Los Angeles and Glendale and for the last two years has maintained his office exclusively in this city.

He is an Elk and Mason and member of the American Legion, a director of the Chamber of Commerce, member of the executive committee of the Retail Credit association and a member of the Rotary Club.

"Cases will be decided," he declared, "strictly upon justice and promptly."

Justice Emery has many friends in Glendale who will hasten to extend congratulations upon his appointment.

## Sisterhood Class of Methodist Church in Business, Social Meet

The Sisterhood class of the First Methodist church held its regular meeting Thursday afternoon at the church parlors with thirty-five members in attendance. Mrs. A. T. Torrey, the class teacher, presided at the business session, as the president. Mrs. Mark Russell, vice-president. Mrs. W. A. Maxwell and secretary. Mrs. W. P. Glover, were absent.

A decisive vote was taken in favor of meeting every third Thursday of each month at the church parlors, and to discontinue the former custom of meeting in the homes, as the new plan will be more practical.

The business meeting was followed by a social hour, which was spent very profitably with a novel game called a "memory test," that was not only very amusing but practical as to results. Light refreshments were served by the entertainment committee, of which Mrs. J. T. Lampert was chairman. She was very ably assisted by Mrs. E. E. Kortz, Mrs. E. E. Haw, Mrs. C. E. Peck, Miss H. E. Noland; Mrs. A. M. Bruce of La Crescenta.

A special guest was Mrs. W. C. Hildreth of Manzanar, California, who is the house guest of her sister, Mrs. C. R. Hallett, the class treasurer.

## Mrs. Mortimer Baker Is Hostess to Guild

Mrs. Mortimer Baker of 215 West Milford street entertained the members of St. Mark's Guild, of which she is president, at her home yesterday afternoon. The following officers of that organization were also entertained at luncheon:

Mrs. J. L. McOmber, Mrs. Gertrude Bassett, Mrs. Dina Smith, Mrs. Helen Campbell, Mrs. Frank England and Mrs. F. S. Card. This was followed by a social afternoon enjoyed by the guild members, during which Mrs. Baker was remembered with several gifts, it also being her birthday anniversary.

At that time plans were made for a social evening to be held at the church February 22, in order that the new members and church people may get acquainted. During the afternoon tea was served.

## BOWLERS BATTLE TONIGHT

The regular schedule of Class A of the Glendale Elks' Scratch bowling league will be resumed tonight with three matches to be played on the club alleys. A keen race for individual honors is being developed by about half of the contestants, and a series of close games is expected.

## DESK IN CHURCH IS ROBBED

S. H. Wilcox of 1924 Gardena avenue reported to the police yesterday afternoon that someone had pried a desk drawer open at the Tropic Presbyterian church and stolen a small sum of money.

## ON SAN FERNANDO ROAD PROPOSED

Boulevard Improvement Club's  
Members Discuss Number  
of Civic Improvements

The San Fernando Boulevard Improvement association held a peppy meeting last night at 806 South San Fernando Road and discussed several subjects of importance to the community.

The installation of ornamental lights along San Fernando Road, at least between Los Feliz Road and Pacific avenue, is favored by this association. To obtain further information in regard to cost and various types available and to get in touch with the property owners a committee was appointed consisting of Roy Johnson, 1133 South San Fernando Road; O. B. Tewes, 414 West Windsor Road, and A. M. Salyer, 1253 South San Fernando Road.

The plan to establish a municipal bus line was unanimously endorsed by the association, which went on record as heartily approving the actions of the city administration in endeavoring to serve the best interests of the public.

### Favor Sewer System

The plan to install a general sewer system, also, was endorsed and the organization likewise commended the city administration for its efforts in this matter. No preference was expressed as to the type of system which should be adopted.

Displeasure was expressed over the chuck hole at the intersection of Park avenue and San Fernando Road, which was declared to have been the cause of many automobile catastrophes for several years. To bring it to the immediate attention of the city engineer's office a committee was selected consisting of Roy Johnson, 1133 South San Fernando Road; Harper S. Cobb, 1118 South San Fernando Road, and O. B. Tewes, 414 West Windsor Road.

"My idea of this association wasn't to promote San Fernando Road alone," declared William Griffin of 806 South San Fernando Road, who presided as president of the organization, "but we have to start at some particular street and San Fernando seemed a good place to start."

### Many Seek to Join

Forty-three new applications for membership were announced by Secretary L. H. Wilson of 1034 South San Fernando Road who stated that the register already contained the names of over 125 citizens. He said that a number had joined and expressed their complete willingness to share the association's financial obligations, but had stated that they would be absolutely unable to attend the meetings. Mr. Wilson said several had offered to make donations and contributions which had been refused with thanks. He said that all (Continued on Page 16)

## 'Nish,' Missing, Guest in L. A. Now Theory

The mystery of the disappearance of Nishon Pashikian, proprietor of the Nish Taxi Service, was believed solved this morning.

Miss Cora Hodgson, who tends the cigar counter in Spohr's Drug Store, stated that she and Miss Marie Williams, another employee of this establishment, had both seen "Nish" Tuesday night about 7:30 o'clock after his return from an excursion to the oil fields at Huntington Beach. Mr. Pashikian was attired in his best clothes and to quips that he was "going to see his girl" replied good night. He was on his way to attend a "big" party in Los Angeles.

Miss Hodgson says that he had told her previously that well-to-do friends had just arrived in southern California from Chicago and taken an apartment near Westlake Park. She knows that "Nish" spent all day Sunday with them and believes that he has taken them for a trip of several days' duration.

Mrs. Louise Stocker of the C. and S. Cafeteria, 111 North Brand boulevard, had a premonition this morning that "Nish" had met with foul play. She called attention to the fact that it was unusual for him to leave without explaining about when he would return. She stated that she had not been seen at the Central Hotel, 122-A North Brand boulevard, since Tuesday morning.

Tuesday "Nish" and Chauncey Pritchard, 724 South Maryland avenue, a driver for the Glendale Taxi Service, 114 South Brand boulevard, both drove passengers to the Huntington Beach oil fields. Mr. Pritchard returned with his "load" about 5 o'clock and it is presumed that "Nish" also brought his passengers back to their homes.

## ENJOY GOOD TIME IN SNOW

Charles and William Rich, sons of Mrs. C. Rich of 1022 South Boynton street, have returned from a three days' trip to Mt. Lowe, where they had very pleasant experience in the snow, and brought back some very large snowballs.

## LEGION TO MEET TONIGHT

The members of the Glendale Post of the American Legion will hold their regular weekly business and social meeting tonight at the Legion hall on East Broadway. Several important questions will be taken up at the gathering.

## HOUSE TAX DIVISION OFFERS METHOD FOR PAYING SOLDIER BONUS

WASHINGTON, D. C., Feb. 10.—Congress today found a way to get the money to pay a soldier bonus.

After a lengthy discussion behind closed doors, the tax division of the house ways and means committee agreed upon the imposition of the following schedule of new taxes, designed to raise nearly all of the \$350,000,000 which has been estimated as necessary for the first year:

Tax tobacco 2 cents a pound, raising \$5,000,000.  
Tax cigars 5 cents per thousand, \$25,000,000.  
Tax automobiles 25 cents per horsepower, \$50,000,000.  
Tax gasoline 1 cent a gallon, \$70,000,000.

Tax of one-tenth of 1 per cent on stock and bond transactions, \$69,000,000.

Tax on real estate transfers of \$5 per thousand, \$20,000,000.  
Tax on theatre tickets 20 per cent when over 25 cents in price, \$75,000,000.

The committee also reached an agreement, it was said, on another special tax, but its members refused to divulge the nature of what it was.

The tax on theatre tickets is exactly doubled under the new proposal, if congress accepts the committee's report which is quite likely.

## MORE RAIN MAY COME, PREDICTED

Season to Date 21.17 Inches  
Is Report; Conditions In  
Both North and South

RAINFALL FIGURES  
(Furnished by H. E. Bartlett)  
Twenty-four hours . . . 1.7  
Storm . . . 2.33  
Season to date . . . 21.17  
Last season to date . . . 7.02

The above figures show that the rainfall to date this season is more than twice that of last season to date.

The weather bureau in Los Angeles predicts unsettled weather for tonight and tomorrow, with probable showers.

Peter Diederich, superintendent of plant and production of the public service department, states that no damage has been done to any part of the municipal water system from this last storm and that everything is going along nicely.

Dispatches to The Glendale Evening News over its International News Service leased wire today give the storm situation in northern and southern California as follows:

### In Southern California

LOS ANGELES, Feb. 10.—As a result of many streams being swollen from recent heavy rains, and the melting snow in the mountains, considerable damage was reported from various parts of southern California today. The urban and railroad transportation was badly crippled.

Hundreds of persons en route to Los Angeles were reported delayed by a washout of more than 200 feet of the transcontinental tracks of the Union Pacific system eight miles north of Caliente, Nev. Service between Los Angeles and Salt Lake City was tied up today because of the washout.

A canvass of the flood damage in the eastern part of Los Angeles county, shows four important bridges have been washed out and another one seriously menaced.

Clearing weather was experienced here today, following a storm which brought Los Angeles 31 of an inch of rain during the last 24 hours. The precipitation total for the storm was given as 1.64 inches. The season's total is 15.44 inches, as compared with 6.19 inches at this time last year. The season's total at the summit of Mount Wilson so far is 50.28 inches.

### In Northern California

SAN FRANCISCO, Feb. 10.—Wind and rain swept throughout the night, northern California was still in the grip of one of the most prolonged storms of the winter season.

Wire communication to the north was cut off by the high wind which felled telephone and telegraph poles.

Slides due to the heavy rainfall were reported by the Western Pacific at two points in Plumas county. A heavy snowfall hindered the clearance of the rock and earth from the tracks.

Minor slides were reported by the Southern Pacific.

The bay was extremely rough early today. Traffic via the Key Route ferries was held up an hour due to a heavy barge drifting across the ferry slips.

Tugs removed the barge. The Sacramento, Yuba and Feather rivers were reported rising rapidly as a result of terrific downpour of the last forty-eight hours, although the streams have not as yet reached dangerous stages.

Snow at the summit was reported to have reached a depth of 10 1/2 inches.

## REPORTS TOOLS STOLEN

J. MacMullin, 50 West Broadway, reported to the police yesterday afternoon that tools had been stolen from a job at 1503 South Glendale avenue.

## PACIFIC ELECTRIC RAILWAY ASKS CONFERENCE WITH C. OF C. ABOUT CONTROVERSY OVER PRESENT FARE

Company Admits 'Very Grave Economic Problem'  
Is Involved and Requests Meeting; Local Body  
Plans to Arrange for Complete Discussion

INDICATING that Glendale will receive the just consideration due this city, the Pacific Electric railway company has written a conciliatory letter to the Chamber of Commerce which is taken to mean that there is relief in sight from the recent objectionable fare increases.

Frank Karr, general counsel for the corporation, has asked for a hearing by the board of directors of the local civic organization and it is planned to present the request next Tuesday at which time a date probably will be set for a conference at which time members of the city council, and others, will be invited to attend.

It is known that the Pacific Electric feels kindly toward Glendale because of the due regard which its citizens have held towards it and undoubtedly D. W. Pontius and Mr. Karr will use their influence to have the railroad commission modify its order regarding commutation rates.

Following is the text of Mr. Karr's letter under the date of February 9: "With reference to the controversy now going on concerning the Pacific Electric rates to and from Glendale:

"Mr. D. W. Pontius, vice-president and general manager, and myself will be glad to attend any meeting of your Chamber of Commerce and discuss this situation, if that is deemed desirable by your board.

"We appreciate that a very grave economic problem is involved and will be very glad to give the benefit of our judgment from the standpoint of the large number of people dependent upon the service of the Pacific Electric company."

While it is impossible for anyone to interpret the foregoing paragraph at this time, readers may judge for themselves that the railroad's attitude savors of a satisfactory settlement of Glendale's interurban traffic problem, it was pointed out by Chamber of Commerce officials.

## High School Board and Architects to Meet in Conference

The first conference between the high school board of trustees and George M. Lindsey of Glendale and John C. Austin of Los Angeles, architects chosen at the last board meeting, is scheduled for 3 o'clock Saturday afternoon at the high school.

Dr. Harry V. Brown, president of the board, stated yesterday that the session will be in the nature of a "get acquainted meeting." He implied that the time would be largely occupied laying a foundation for future work by the architects. He declared that preliminary plans probably would not be discussed at this time.

The school board is still open minded about the type of school plant, stated Dr. Brown. "That is why we employ architects. We don't want to be too determined on one idea until we have expert advice."

## S. A. Thorniley, Wife and Son Again Here

Mr. and Mrs. S. A. Thorniley and son, M. K. Thorniley, again are residents of Glendale after a year's absence. They are comfortably domiciled at 231 West Elk avenue. They formerly resided at 230 North Central avenue. Of course, they are glad to be in Glendale once more and they are renewing acquaintances by reading The Glendale Evening News.

E. H. Botsford, who was present at last night's council meeting, when asked if there was any protest against the opening of Patterson avenue, answered that there was not, so far as he knew, and that everyone seemed to be in favor of the project.

"Then let's go to it!" ejaculated Councilman Stephenson.

Much street work is being done or under contemplation by the city council, as is told in detail elsewhere in this edition of The Evening News.

## Today's World News In Brief

(By International News Service to Glendale Evening News)

### PLAN TO INCREASE FREIGHT RATES REPORTED BLOCKED

WASHINGTON, Feb. 10.—Efforts of the Erie railroad to increase freight rates on 85 per cent of the fruits and vegetables arriving in New York from California and the northwest, were blocked today by the interstate commerce commission.

### SECRETARY FALL NOT ASKED TO RESIGN, DECLARED

WASHINGTON, Feb. 10.—"I have not resigned, I have not been asked to resign, and I have no intention of resigning," said Secretary of the Interior Albert B. Fall today in response to a published story that he was about to get out of the cabinet because of dissatisfaction with the policies of the administration.

### MABEL NORMAND TO BE QUESTIONED BY WOOLWINE

LOS ANGELES, Feb. 10.—Mabel Normand, world famous film actress, whose face is better known to fifty millions of movie fans throughout the world than the most widely-known political personage, is scheduled to be thrust forward today into an even more important role than she has hitherto occupied in the probe of the mysterious death of William D. Taylor. Miss Normand, who, so far as is known, is the last person to have seen Taylor alive, is expected to go before District Attorney Woolwine during the day and tell him all that she knows concerning Taylor. The actress collapsed at the funeral of Taylor on Tuesday and was in a serious condition that (Continued on page 2)

## Today's World News In Brief

(By International News Service to Glendale Evening News)

(Continued From Page 1)

night, it was said today. She is now much improved and while her friends say she is still nervous, they told the International News Service they believed she could undergo the ordeal of a long questioning by the investigator who is noted for his rigid cross-examinations. District Attorney Woolwine this morning issued a denial that Miss Normand had made a signed statement to the authorities in which she admitted she went to the Taylor home the night of the murder to get the letters and telegrams she had written to the director. At Miss Normand's home two of her friends also denied she had made such a statement. Woolwine is in possession of the letters which had been reported as missing for several days but which were found in a boat at the slain director's home when assistants of the public administrator were searching the director's effects. The district attorney said he had examined the missives but had failed to find anything of significance relative to the mystery.

### ARMED MEXICANS CROSS BORDER AND ATTACK TRAIN

EL PASO, Tex., Feb. 10.—An expedition of thirty-five heavily armed Mexicans crossed the border from Texas into Mexico last night and attacked the express from Mexico City.

### FOUR VESSELS SINK AND MANY LIVES IN DANGER

SAN PEDRO, Calif., Feb. 10.—Lives of many persons were endangered, four vessels were sunk and several others damaged in the harbor here today when the United States shipping board tanker, Stockton, smashed into the Fifth street dock and struck vessels moored there. The vessels were the Real, a ferry boat, from which the crew and fifty passengers leaped, and the speed launches, Disturber, Dora and Barney Oldfield, Eagle boats Nos. 12 and 34 were damaged.

### MAN BURNED TO DEATH IN TRIPLE AUTO COLLISION

SAN FRANCISCO, Feb. 10.—Alfred Larsen, garage repairman, was burned to death as a result of a triple automobile collision early today on the highway near Golden Gate park. Theodore McInerney and Walter Miller met in head-on collision. Larsen drove a repair car to the scene and was underneath Miller's car when an automobile driven, it is said, by James LeRoy Nickel, vice president of the Miller-Lux company, crashed into the wrecked cars, setting them on fire. When the fire department reached the scene and controlled the fire, Larsen's charred body was found.

### LOVE LETTERS IN MADALYNNE OBENCHAIN TRIAL

LOS ANGELES, Feb. 10.—The three score love letters and telegrams sent by Madalynne Obenchain to J. Belton Kennedy, for whose murder she is now on trial, will be the foundation for the prosecution's case, it became known at the opening of court today. It was said the prosecution will attempt to show by the love missives that as far back as 1916 Mrs. Obenchain had an affection for Kennedy. Also that when his love reached its height last summer, Kennedy jilted her and that in the "wrath of a woman scorned" she summoned Arthur C. Burch, her co-defendant, from Evanston, Ill., and entered into a conspiracy that culminated in the killing of Kennedy at Beverly Glen, on the night of August 5, last. Frank W. Stoddard, deputy county surveyor, was on the witness stand today. By means of maps, blueprints and aerial photographs, he gave the jury a vivid description of the scene of the murder. With the completion late yesterday of the jury of nine men and three women, with a woman as the thirteenth, or alternate juror, the state put Dr. A. F. Wagner, county autopsy surgeon, and J. D. Kennedy, father of the slain man, on the stand for brief perfunctory evidence. This was for the purpose of legal identifications.

# H. and H. Co. MEN'S FURNISHINGS

Opens Saturday

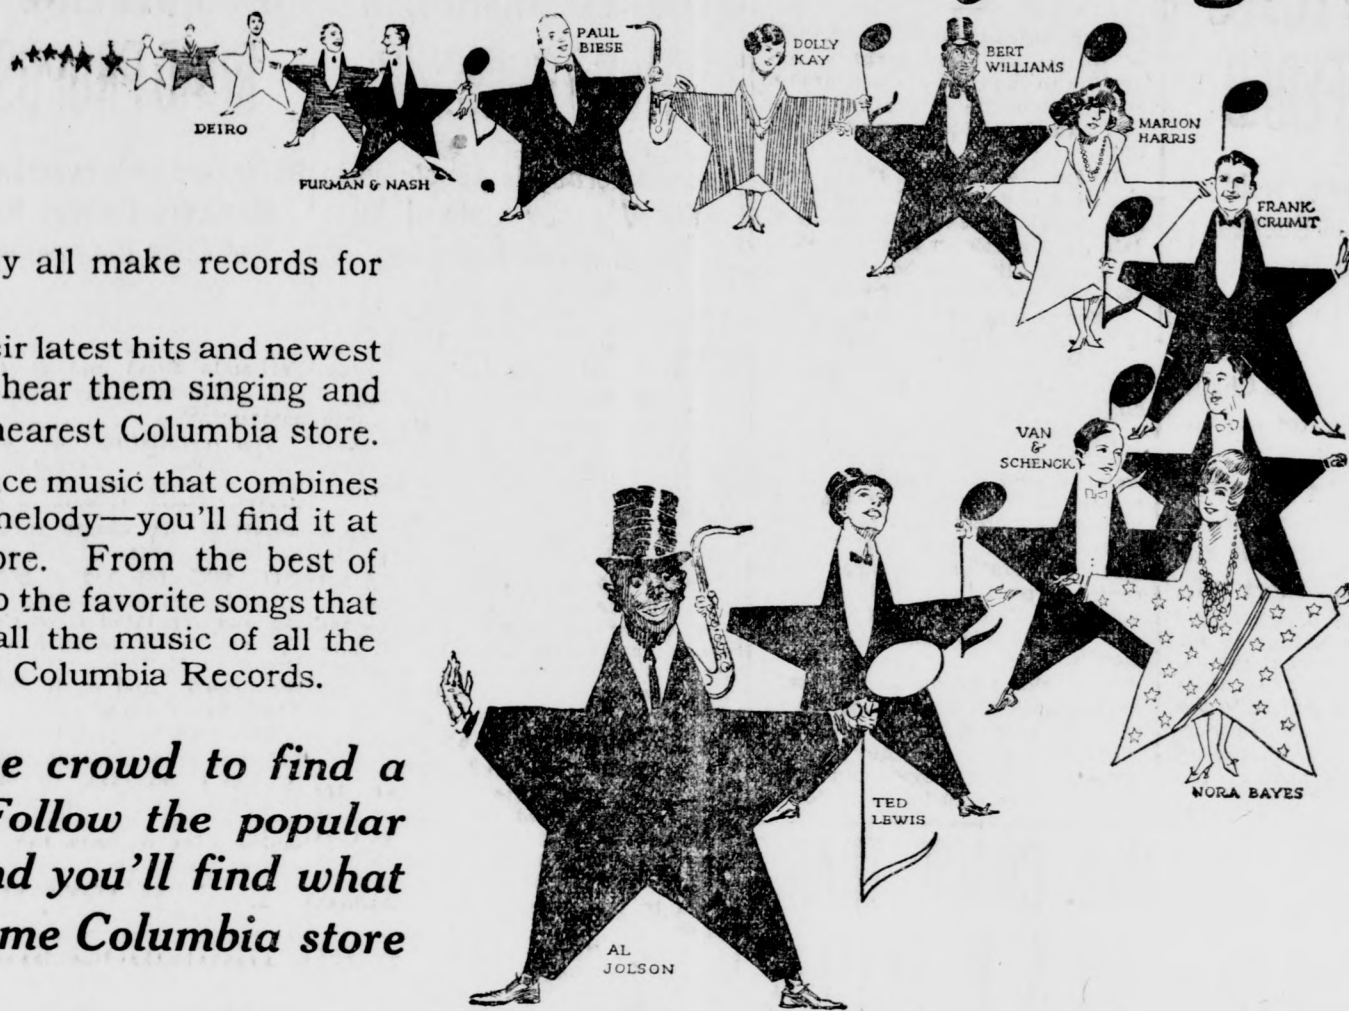

at 148 South Brand

We have gathered together a choice stock of Men's Fine Furnishings—merchandise that can be relied upon to render full service.

## Locals and Personals

Miss Bess Moore of 528 North  
Maryland avenue is spending several  
days at Long Beach.

Mrs. Oscar N. Denison of 326 Mira  
Loma avenue has as her guest Miss  
Williams of New York City.

Mrs. C. S. Prine of 630 North  
Maryland avenue has been confined  
to her home for several days with a  
severe cold.

Mrs. Alice M. Ayers of 138 North  
Belmont street is recovering from an  
attack of influenza and will soon be  
able to be out.

Mrs. Oscar N. Denison of 326 Mira  
Loma avenue is expecting the arrival  
of her nephew and his wife, Mr. and  
Mrs. Mark Drumm, of Canada.

Mrs. Frank Stahl of 424 West Wil-  
son avenue was hostess to a group of  
eight friends at an informal tea at  
her home Wednesday afternoon.

Mrs. J. B. McClellan of 126 North  
Central avenue was the Wednesday  
guest of Mrs. W. B. Main of Los An-  
geles, a former eastern friend of  
hers.

Mr. and Mrs. R. D. Jones and  
daughter Martha of 332 East Dryden  
street, will be dinner guests tonight  
of Mr. and Mrs. I. S. Gorham in Los  
Angeles.

Mr. and Mrs. W. B. Davis of 601  
North Louise street entertained at  
dinner last night Mr. and Mrs. Glenn  
C. Peck and sons Edward and Mark  
of La Crescenta.

Mrs. W. H. Gabriel of Chicago and  
sons, Billy and Bobby, are guests  
for the winter at the home of her  
mother, Mrs. Jessie Gilbert of 211  
North Cedar street.

Thomas Oswald and William Regan,  
who arrived in Glendale the  
early part of the week from Detroit,  
Mich., are temporarily located at  
1615 South Glendale avenue.

Mrs. G. D. Roach of 459 West  
Milford street was a member of a  
theatre party given Wednesday af-  
ternoon by a social club in Los An-  
geles, of which she is a member.

Miss Geraldine Meagher will enter-  
tain a number of her friends at a  
Valentine party at her home, 343  
West Garfield street. Seasonal de-  
corations and favors will feature the  
party.

The musical, which was to have  
been given last night at the home of  
Mrs. Ella Richardson, 317 North  
Brand boulevard, was postponed un-  
til next Thursday on account of yes-  
terday's storm.

Miss Kathryn Farrell of 435 West  
Patterson avenue, who has been con-  
fined to her home for several days  
on account of illness, was able to at-  
tend to her duties in Los Angeles yes-  
terday as usual.

J. Lundregan of 308 East Maple  
avenue left at 9 o'clock Thursday  
morning via the Southern Pacific  
railroad for Bakersfield. He expects  
to return Saturday, but is contem-  
plating locating in the oil region.

Mrs. Roberta Young of 469 Oak  
street and Miss Bertha Sayre are  
planning to spend the week-end at  
San Diego. While there they will be  
guests of Mrs. Young's son, Lieuten-  
ant L. T. Young, who is commanding  
the U. S. S. Thornton.

Dr. and Mrs. C. J. Camerer of 311  
West Garfield avenue have pur-  
chased a home at 319 West Garfield  
avenue, which they are having re-  
modeled and redecorated inside and  
out. They expect to move in the  
early part of next week.

F. Atkins of Coraopolis, Pa., is a  
guest at the home of F. Mummelthay  
of 1316 South Central avenue. Mr.  
Atkins is president of the Coraopolis  
Trust company and expects to spend  
the winter in this city. He is con-  
templating purchasing property here.

Mr. and Mrs. M. Gannon of 318  
West Colorado street entertained as  
their guests Wednesday afternoon  
Mr. and Mrs. C. L. Border of Los An-  
geles, Mr. and Mrs. W. W. Downs of  
Alhambra, Mrs. S. Mussetter of Vic-  
tor, Ia., and Mrs. Glenn Cunningham  
of Dubuque, Ia.

Mr. and Mrs. Van H. Wilkinson  
and three children of Los Angeles are  
among the recent newcomers to  
Glendale. They are now residing at  
307 East Garfield avenue. Mrs. Wil-  
kinson and Mrs. A. W. Tower of 214  
East Park avenue were former col-  
lege and sorority friends.

## Locals and Personals

A. L. Burrall of Los Angeles was in  
this city on Thursday.

Mr. and Mrs. O. A. Whitaker of  
Gardena, former residents of Glen-  
dale, were recent visitors with  
friends and former neighbors.

Lester Grafius, former resident of  
this city and student at local schools,  
was in Glendale yesterday visiting at  
the home of his aunt, Mrs. Annie  
Tarling of South Belmont street. Mr.  
Grafius is now living in Los Ange-  
les.

The meeting of the Kress club,  
which was to have been held yester-  
day afternoon at the home of Mrs.  
E. W. Evans, 1214 South Mariposa  
street, was postponed until Tuesday  
afternoon on account of the stormy  
weather yesterday.

Mrs. Frank C. Stroner arrived in  
Glendale several days ago to join her  
husband, an employee of the local  
postoffice who has established a  
home in this city. Mrs. Stroner has  
been living in Mason City, Ia., their  
former home. Mr. and Mrs. Stroner  
are living at 414 North Mary-  
land avenue.

A number of Glendale women in-  
terested in philanthropic work met  
yesterday afternoon at the home of  
Mrs. C. L. Peckham, 615 North Cen-  
tral avenue, to sew on comforters for  
El Retiro home at San Fernando. A  
benefit card party was recently  
given to raise funds to purchase the  
material for making these comfort-  
ers.

Mr. Black, an elderly uncle of Mrs.  
Gertrude Kinnear and Mrs. L. C.  
Blakney and Miss Charlotte Deacon  
of West Park street, Casa Verdugo,  
who was struck by an automobile  
Tuesday night and injured is at the  
home of his nieces and getting along  
very well. He had a very severe cut  
on the head and several minor in-  
juries.

Mrs. C. Clanin and two sons of  
422 North Jackson street are ex-  
pected home tomorrow from Marion,  
Ind., where they have been for the  
past three months. They were called  
there by the serious illness of Mrs.  
Clanin's mother, Mrs. George Mc-  
Kee, who is much improved, al-  
though not able to travel. Mr. and  
Mrs. George McKee are contem-  
plating coming to Glendale. George  
McKee is a brother of Ed McKee of  
this city.

The meeting of the Women's Home  
and Foreign Missionary society of  
the Casa Verdugo Methodist church,  
of which Mrs. E. E. Masters was re-  
cently elected president, held at the  
home of Mr. and Mrs. R. D. Jones,  
322 East Dryden street, Thursday  
night was very well attended. Mrs.  
Jones conducted the devotional exer-  
cises. At the short business session,  
Mrs. Gertrude Kinnear was elected  
treasurer, and Mrs. Jones and Mrs.  
Kinnear were appointed on the pro-  
gram committee for the year. This  
was followed by a pleasant social  
hour interspersed with music. Light  
refreshments were served by the  
hostess assisted by Mrs. Masters and  
Miss Sharpe.

## Hayward & McCartney Represent Association

The Southern California-Metropoli-  
tan Loan Association announces to  
its many Glendale members and  
friends that it has arranged with  
Hayward & McCartney to take  
charge of the Glendale business. It  
is now located in the new office  
at 142 South Brand boulevard. The  
association feels very fortunate in  
being able to arrange this connection.  
Hayward & McCartney need no in-  
troduction to the Glendale people.

The Southern California-Metropoli-  
tan Loan Association is the  
amalgamation of the Southern Cali-  
fornia and the Metropolitan, two of  
the oldest and best established build-  
ing loan associations in the state.  
Their record of thirty-five years in  
business, each year showing progress  
until now they have total resources  
of over \$2,200,000, is a worthy one.  
"During this period, not once has  
it been necessary to resort to the  
"reserve fund" to make good a loss.  
The method of placing loans pro-  
tects those who have invested, and  
guarantees to the borrower a house  
built to the last letter of the speci-  
fications. A service equivalent to  
that of an architect is thus ren-  
dered," the association states.

"Several saving plans are offered  
to the investor, principally the cer-  
tificates of deposit in which 6 per  
cent dividends are paid semi-an-  
nually, and the membership shares  
on which never less than 7 per cent  
compounded semi-annually has been  
paid. Provisions are made for with-  
drawal before maturity upon de-  
mand, with 5 per cent per annum  
for the time the money has been in-  
vested.

"The people of Glendale are urged  
to support this institution, which  
helps to stimulate good business, by  
investing their savings to enable  
home building to continue, provid-  
ing work for the lumberman, paint-  
er, plumber, brick manufacturer,  
decorator, contractor, plasterer, car-  
penter. And indirectly every busi-  
ness in the city is benefited. For  
further information you are invited  
to call upon Hayward & McCartney."

Watch for Japan Art & Tea Co.'s  
opening day on Brand—Adv.

## LOYAL SERVICE BY POSTAL EMPLOYEES PLEDGE OFFERED

First Social Gathering Held by  
Organization Large Success;  
Program Proves Delight

(Continued from Page 1)  
master Jackson at the piano, and H.  
H. McFarland on the saxophone  
formed the trio. Their entertaining  
was greeted with hearty applause.  
Secretary James M. Rhoades of  
the Chamber of Commerce made a  
brief address and expressed sur-  
prise at the large number of postal  
employees and assured the co-opera-  
tion of the Chamber of Commerce.  
Just as the meeting was adjourn-  
ing Mayor Spencer Robinson ap-  
peared and congratulated the organi-  
zation. He was prevented from  
making an early appearance on ac-  
count of the meeting of the city  
council.

At the meeting the name of the or-  
ganization was chosen as "Postal  
Employees Pep Club." That means  
P. E. P. and that spells "pep."

Vocal selections by Postmaster  
Jackson and Mr. and Mrs. Harry  
Girard concluded the program.  
The meeting resulted in a fraternal  
spirit developing among the em-  
ployees who decided to hold social  
meetings monthly.

Those in Attendance  
Those present included D. Ripley  
Jackson, postmaster; George Hallett,  
assistant postmaster; F. B. Walker,  
superintendent of mails; J. Boettner,  
L. C. Martin, N. Ashcroft, E. T.  
Holmes, C. A. Noyer, Henry Weger,  
F. C. Stroner, A. B. Kerr, Miss Cath-  
erine B. Tyner, Miss Nellie M. Black,  
Miss Lucile Crowell, Miss Irene L.  
Rich, Mrs. F. V. Hall, Mrs. Hattie  
B. Ellis, James F. Crawford, Charles  
F. Newton, E. C. McFarland, W. S.  
Gamble, W. W. Hunt, E. Welch, W.  
M. Strandley, O. W. Wright, D. Sul-  
livan, H. H. Fraser, A. S. Fornoe,  
A. R. Faulkner, S. J. Drevett, J. M.  
Hague, E. Hamlin, C. S. Nicholson,  
A. C. Holcomb, A. S. Wood, E. J.  
Bielefeldt, J. H. Willock, F. V. Hall,  
representing the Rural Carrier's As-  
sociation; Doc Ashcroft, the trouble  
shooter.

## DOLLAR CO. BUYS SHIPS

WASHINGTON, Feb. 10.—The  
United States Shipping Board has  
announced the sale of four shipping  
board vessels to the Robert Dollar  
Steamship company of San Fran-  
cisco. The vessels are about 10,000  
tons each and were sold for more  
than \$200,000 apiece. The exact  
price was not named by the shipping  
board.

There is the railway switch and  
also the kind that father sometimes  
used.

## European Act for T. D. & L. Vaudeville Expected to Please

"The Cavanaugh Duo," declared  
to be Europe's foremost variety ar-  
tists, will be the headliners on the  
Meiklejohn & Dunn vaudeville road  
show at the T. D. & L. theatre to-  
day and tomorrow. This clever cou-  
ple entertain in many various ways,  
their act consisting of harp playing,  
wire walking, singing and dancing  
and many other things—all to be  
seen in "Circus Feats."

Echos of laughter will be heard  
long after Irene and Joe Foster have  
finished their act. "The Piano  
Movers" is an act that is different  
from most comedy acts and the man  
in this act has a make-up that is  
really very comical, it is declared.  
From the sunny south "Just  
Tommie" brings his many songs and  
dilect stories. As a comedian this  
droll fellow has few equals, it is  
said.

Romping all over the stage and  
doing stunts that will surprise and  
amuse, the clever canines who appear  
in "A Day in Dogland" are expected  
to cause much favorable comment.

Another act of unusual merit will  
complete the vaudeville portion of  
the bill and on the screen the  
Thomas Ince feature, "The Cup of  
Life" will be seen.

## DENIES HUSH MONEY USED

NEW YORK, Feb. 10.—"It's a lot  
of rot," said James Selznick, head  
of the Selznick Film company, com-  
menting on dispatches from Los An-  
geles that charges that money is be-  
ing spent by the film producers to  
hush up the W. D. Taylor case and  
to prevent an investigation of the  
Hollywood colony.

"My company is not involved in  
the Taylor case, but I do not believe  
the charges true in the case of any  
producer with interests in Holly-  
wood," he said. "We obtained the  
services of William Hays for the  
very purpose of helping to clear up  
matters like the Taylor case."

Adolph Zukor, head of the Fa-  
mous-Players, is on his way to Los  
Angeles to take a hand in an investi-  
gation of the Taylor case, it was  
learned.

## Deaths and Funerals

**MRS. LUCASTA COLE READ**  
Mrs. Lucasta Cole Read passed  
away at 1629 West Twenty-fifth  
street, Los Angeles, this morning,  
February 10, 1922, at the age of 81  
years. She leaves a son, Albert C.  
Read of West Broadway, Glendale,  
and two daughters, Mrs. LaBelle  
Townsend of Los Angeles and Miss  
Helen S. Read of Kansas City, Mo.  
Funeral services will be held at the  
Little Church of the Flowers tomor-  
row afternoon at 2 o'clock. L. G.  
Soeven Undertaking company in charge.

Plant objectionable cats at the  
roots of the grape-vines.

## Sunny Days and Balmy Weather Will Soon Be With Us

Are You Prepared? We Are.

Spring merchandise is rolling in, shelves  
are filling up with dainty batistes, fine voiles,  
Swiss organdies, lawns, dimities, etc.

In fact you have a real dry goods store right at your  
very door, so to speak.

Come in and get acquainted with what Glendale can  
offer you both in staple and fancy dry goods.

Linen and art goods are specialties with us—you need  
go no farther than this store when you need either table  
or household linens.

A new line of thread silk hose at \$2.50 pair.  
Closing out broken lines of silk hose, \$1.50 pair.

## ABRAHAM LINCOLN'S LIFE USED AS TEXT OF TALK BY C. J. HALL

'Justice' Biggest Word in Country Today, Says Speaker at Meeting of Local Rotary Club

EXTemporizing on Abraham Lincoln's life as the symbol of patriotism and justice, Charles J. Hall, chautauqua orator, yesterday thrilled members of the Glendale Rotary Club in a thirty-minute dissertation on great moments of the life of the emancipator, as well as personal experiences tending to show that the United States of America and its constitution provide the gospel for the world.

Mr. Hall is the teacher of the men's bible class of the Temple Baptist church, Los Angeles, and was the guest of Chairman Roy L. Kent. He was introduced as the man whom Bryan says heads the list of campaign speakers.

"True patriotism," said Mr. Hall, "is that which makes every citizen work for this great country to be worthy of our love." "The growth and prosperity of the United States in the last 140 years is the wonder of the ages," he continued. "We must stop to think of this growth, not boastfully, but gratefully."

**Whole World Listens**  
Outlining the history of the colonies, the first thirteen states and bringing his hearers up to five years ago, he added that "the world came to listen to the United States and now if we do not speak, the other nations wait to hear us."

He related how the president of Yale university some years ago after hearing him speak, said: "I am very much interested in what you say Mr. Hall, because you come from the west."

"West," I replied, "why I come from California and Missouri is what you know as well as I am from a whole lot farther west than that. You people of the east are like the man sitting down to dinner, looking back over a day's accomplishment. We Californians are like a person arising from the breakfast table ready for a day's work."

**Just Eat, Eh?**  
"And I want to tell you people of Glendale that you have just had your breakfast! There will be a day when your city will match Los Angeles." "When I met the King of Belgium on his visit to California, I said 'Your Majesty, what impresses you most?' His reply was, 'My vision of territory has been greatly enlarged by your vast country. Surely it must have been when you consider his kingdom could be lost in the wilds of San Bernardino county!'"

In his tribute to Lincoln, Mr. Hall told of the historic cabinet meeting when a member said to him, "Are you sure God is on our side?" To this Lincoln replied, "We should be on God's side."

**Biggest Word**  
In concluding Mr. Hall said that justice is the biggest word in the country today. "The war of today is not a battle between capital and labor, but labor against capitalism. I think that Henry Allen of Kansas has made a beginning along the line

### CHARLES J. HALL HAS UNIQUE RECORD; TRACES FAMILY BACK TO ADAM

Charles J. Hall, who addressed the Rotary club yesterday, says he is notorious—having never run for office and never voting for anyone who was elected to office.

Which would indicate he has a keen sense of humor. Among the other comments, humorous and otherwise, were:

"All the value there ought to be in a 'record' is that the past shall inspire what you do in the future."

"A preacher is as good as can be expected of him, considering the gang he has to work with."

"Our problems should be settled with words instead of bullets."

"In a northern town I visited, inhabited principally by Norwegians, I saw a sign in the post-office which read: 'If you can't speak English, learn it, and if you can't learn it, get out!'"

"I nearly lost my wife, before I married her, because I couldn't establish my aristocracy. When her father called me into his study and said, 'You know we are the descendants of William Penn,' I replied that I was a direct descendant of Adam, which went a long way farther back than he did."

of justice with the industrial commission of that state."

David Crofton, shoe merchant, made a short talk on the industry, stating that prices in his line had been reduced 20 to 30 per cent, but he indicated that labor troubles expected in early April might seriously cripple manufacture. However, summer stocks already have been shipped and a majority of merchants are well supplied to meet the demand.

Letters of congratulations received by the local club officials from Charles B. Bills, district governor, were read by Secretary J. Herbert Smith and an intercity Rotary meeting at Long Beach on February 22 was announced.

**Composer Is Honor Guest; Presents Club With Songs**  
Warner Van Valkenburg, an honorary member of the Tulsa Rotary club, was a guest of the Glendale club yesterday and he presented them with two of his latest compositions, "Oh, Rotary," a marching song; and "In California," which will probably be the International Convention official song when Los Angeles entertains this summer.

**Noted Dutch Actor in Comedy Playlet on Glendale Stage**  
Heading the vaudeville bill at the Glendale theatre Saturday, Manager William A. Howe, by special arrangement with Florence Roberts, will present Fredrik Vogeding, noted Dutch actor from the Royal theatre, Amsterdam, Holland, supported by Genevieve Blinn, Clyde Benson and Harry Austin, in the one-act comedy "Blindfolded," by Rupert Hughes.

This high class feature act comes direct from a twenty-six weeks' engagement over the big eastern vaudeville circuits and should prove a veritable treat to Glendale theatre patrons.

**Pastor and Mrs. Lewis Finster Visitors Here**  
Dr. and Mrs. C. A. Brandstater of 401 West Wilson avenue had as their week-end guests Pastor and Mrs. Lewis V. Finster, who are in the States on a short furlough. Pastor Finster organized and developed a large work in Manila, operating over several provinces of the Philippine islands under the Seventh-day Adventist conference, where he and his wife have been stationed for the past thirteen years.

On Saturday afternoon more than twenty friends of Dr. and Mrs. Brandstater called and heard many interesting accounts of the Philippine island endeavor. Pastor Finster received many old acquaintances and formed several new ones. He and his wife are old Australian friends of Dr. and Mrs. Brandstater, who, fifteen years ago, were intimately associated in Hobart, Tasmania, the former home and birthplace of Dr. Brandstater and two of his sons.

**POLICE CHIEF IS THANKED**  
The Women's Christian Temperance Union of this district has written a letter of appreciation to Chief of Police Allen O. Martin thanking him for causing the removal of objectionable magazines from newsstands. Says Mrs. C. W. Bacon of 900 South Glendale avenue, who is secretary: "Our organization is back of you in every action that is for the safe guarding of the young people and the betterment of citizenship in our fair city."

### Ridge Route to Be Clear of Snow Today

Officials of the Automobile Club of Southern California expected to have the Ridge route inland cleared of snow today, but, due to the heavy rains, motorists are advised to use other highways on account of the danger encountered in the mountains, according to Harry Bracken of the Glendale offices.

The detour through the oil fields to Montebello is no longer necessary as the new bridge across the Rio Honda river has been completed and is open to traffic.

The recent storm has had no effect on the coast route. Travel has not been interrupted, it was announced by the officials of the club.

The squirrel carries a chisel in his mouth, the bee the carpenter's plane.

### DOROTHY WOOD IS MARRIED

Friends of Miss Dorothy J. Wood, formerly residing with her sister, Mrs. Edward M. Lynch of 807 South Maryland avenue, have received the announcement of her marriage, on January 25, to Bradshaw Harrison, a young engineer of Honolulu. Mrs. Harrison has lived the greater part of the past few years in Honolulu and she and her husband expect to make the islands their home for the present.

### CASABA TOSSERS AT REST

Glendale high school's heavy-weight basketball team is remaining idle today for the first Friday since the Central league race began several weeks ago, its inactivity being due to a "bye" having been drawn in the schedule. Intensive practice will be conducted throughout next week, however, as next Friday's game with South Pasadena is expected to be one of the hardest of the season.

### Local Architects Plan Work for Auto Park

Charleton & Brainard, Glendale architects, announce that plans have been completed for one of the most elaborate comfort stations in the west to be erected at the Public Automobile Camp at Griffith Park. The building will be large enough to accommodate more than 200 people. The contract has been awarded to Will M. Robertson of Los Angeles who will begin construction immediately.

### J. B. Sipes' Son Dies

Funeral services were held at 10 o'clock this morning, Friday, February 10, 1922, in St. Andrew's cemetery under the direction of Pulliam & Kiefer for the infant son of Mr. and Mrs. J. B. Sipes of 1193 Montevue road.

## RAILWAY TROUBLES BEING RELATED BY OFFICIALS

Various Charges Are Made in  
Matter and at Same Time  
Huge Sums Paid Out

By U. S. Press Association.  
WASHINGTON, D. C., Feb. 10.—  
Since the "time whereof the memory  
of man runneth not to the contrary,"  
the railroads have been relating their  
ills to the people. Some of the rail-  
road executives have recently drawn  
fire by their repeated statements  
that the government "ruined" them.  
William G. McAdoo, in testifying be-  
fore the Senate Interstate Commerce  
Commission, said that "the indisput-  
able fact is that the government  
saved them." Mr. McAdoo declared  
that the government operation had  
"saved millions of dollars in trans-  
portation costs." Over maintenance  
of the railroads during the period of  
control, Mr. McAdoo contended, off-  
set all claims for under maintenance.  
The monthly operating cost under  
the federal control, he told the com-  
mittee, was \$375,988,813, compared  
with \$473,257,239 under subsequent  
private management. This, he said,  
was equivalent to a saving under  
government operation of \$1,167,220,-  
632 a year. He placed the cost of  
operating the railroads since restor-  
ation of the properties to the corpo-  
rations at 32 per cent higher than it  
was during federal control. He at-  
tributed the increased cost of oper-  
ation under private control, in part,  
to the "loss of all marked economies  
resulting from unified control under  
the government."

**Attacks Position**  
Walter D. Hines, another former  
director general of railroads, has at-  
tacked the position of the executives  
in taking "as a starting point the  
idea that their equipment was in  
ideal condition at the beginning of  
federal control." He says that the  
statement that the railroads were  
turned back in an under-maintained  
and broken down condition was an-  
other "fiction representing extraor-  
dinary distortion of facts," to which  
he adds by way of particulars that  
at the end of federal control the "loco-  
motives were in distinctively better  
condition than at the beginning," and  
that the condition of freight cars  
would compare favorably.

The testimony of the former direc-  
tor general has been rather distress-  
ing to the railroad executives, and  
they have rushed into print to show  
wherein the "statements" of these  
gentlemen disagree with their facts.

**Being Paid Huge Sums**  
During the month of January the  
treasury of the United States paid  
to the railroads \$764,382 under the  
transportation act of 1920. The  
total payments to January 31 in con-  
nection with the period of federal  
control amounted to \$765,180,277.  
Final payments have been made to  
eight railroads under the guaranty  
provision, aggregating \$5,098,541.  
Of the total payments up to the end  
of last month \$271,060,217 were  
loans from the revolving fund of  
\$300,000,000. Repayments on loans  
have been made by the carriers to  
the extent of the sum of \$32,532,470.

**Would Aid Miners**  
Representatives Foster of Ohio  
and Thomas of Kentucky appeared  
before the House Mines and Mining  
Committee this week and urged the  
immediate passage of \$500,000 ap-  
propriation for relief of coal miners  
in the bituminous fields of West Vir-  
ginia, Ohio, Kentucky and other  
states. The congressmen pictured  
dire distress as prevailing in these  
particular coal mining regions.  
**\$17,000,000 for Rivers, Harbors**  
In introducing a bill providing for  
authorizations not exceeding \$17,-  
000,000 for rivers and harbors im-  
provements, Senator Jones, chairman  
of the commerce committee, said his  
committee contemplates a revision  
of all legislation authorizing expen-  
ditures for such improvements and for  
their maintenance.

French interests are planning an  
airplane service between Constanti-  
nople and Paris.

## Wisconsin Folk to Hold Picnic Saturday

"All aboard, Milwaukee, Sheboygan, Fond du Lac and all points north!"

Former residents of Wisconsin are laying in a stock of "grub" for their lunch baskets and making final preparations to attend the big annual picnic Saturday in Sycamore Grove park, Los Angeles.  
Glendale badgers will be represented by a large delegation and hundreds of "Wisconsinites" will travel to the scene of the festivities from all parts of southern California.  
The committee on arrangements promises a big time. There will be games and amusements for the young people and general sociability for the old folks.

## PROFITEERS TO BE SUED

WASHINGTON, D. C., Feb. 10.—  
Government suits probably will be brought against manufacturers who profiteer in life's necessities through unfair price fixing, it was officially announced at the department of justice.  
Unfair prices maintained by manufacturers' groups are to blame for the profiteering in staple goods, according to the opinion of the department of justice, following its survey of retail prices throughout the country.  
Price data compiled by the department survey places only partial blame on retailers. The high price evil, officials said, originates in the manufactured group and in some instances in the jobbing interests.

## NEWBERRY CASE WRANGLE

WASHINGTON, D. C., Feb. 10.—  
Denunciation of Democratic senators for voting to unseat Senator Newberry, Republican, of Michigan, made by Senator Pepper, Republican, of Pennsylvania, in a speech at Albany, N. Y., last night, plunged the Senate today into another bitter wrangle over the Newberry case.  
Senator Ashurst, Democrat, of Arizona, attacked Pepper who was absent, for having applied "opprobrious epithets to his own colleagues" in declaring that "every single Democrat voted slavishly to dishonor his own colleague" and that one Democratic senator was "man enough to vote to his own convictions."

Oil is automatically sprayed on a grindstone as it revolves, by a new attachment.

## FIGURE IT OUT FOR YOURSELF

There Is But One Answer—and That Is

## Build a Home

—The rent you are now paying your landlord, includes not only his interest, taxes, insurance and other expenses, but also a Profit on his investment.

—If the same amount you are paying for rent were applied on paying for a home, you would soon become your own landlord. Then you would have something more than rent receipts to show for your money. Just figure it out for yourself, what the rent you are now paying would amount to at 8 per cent interest during the next five years. Then let us show you how easy it will be to build a home of your own.

—Now is the ideal time to build, while materials are at rock-bottom prices, then in the event you wish to sell, you can do so at a profit.

### Home Dreams

There are dreams we dream in the days of youth  
That are wonderful dreams of joy.  
For there comes no dream like the hopes that gleam  
Through the heart and mind of a boy.  
But the dearest dream of the dreams we dream  
As the tangled path we roam,  
Is the dream that appears in later years,  
When we dream our dream of a home.

—Our prices on all building materials are now back to pre-war levels and conditions were never more favorable for building a home.  
—If you're thinking of building you will find us thoroughly equipped to handle your building materials and to serve you what you want when you need it.

## URGES FOLK ALWAYS SHOW RESPECT TO AMERICAN FLAG

Organization Issues Code for Colors; Tells When It Is Proper to Make Display

A flag code has been issued by the national organization of the Daughters of the American Revolution and has been officially accepted and passed upon. In view of the fact that on February 12, Lincoln's birthday, will be observed and on February 22, Washington's, and the flag will be generally exhibited on these days. The Glendale Evening News is publishing by request the flag code in full, as follows:

"I pledge allegiance to my flag and the Republic for which it stands, one Nation, indivisible, with liberty and justice for all."

"The flag should never be placed below a person sitting."

"The field of the flag is the stripes, the union is the blue and the stars."

"When the flag becomes old or soiled from use it should be decently burned."

"When two American flags are crossed the blue field should face each other."

"In decorating, the flag should never be festooned or draped; always hung flat."

"The statutes of the United States forbid the use of the flag in registered trademarks."

"As an altar covering the field should be at the right as you face the altar and nothing be placed upon the flag except the Bible."

**Third Oldest Flag**

"The American flag, the emblem of our country, is the third oldest national flag in the world. It represents liberty, and liberty means obedience to law."

"When the flag is displayed from a staff the blue field should be in the upper corner next to the staff."

"From private flag poles, the flag may fly at all hours, day and night, with due respect to the colors."

"In crossing the American flag with that of another nation the American flag should be at the right."

"Always stand when 'The Star Spangled Banner' is being played or sung, and protest when used in a medley."

"When carried in a parade or when crossed with other flags, the 'Stars and Stripes' should always be at the right."

"The flag should never be worn as the whole or part of a costume. As a badge it should be worn over the left breast."

**Three Standard Sizes**

"There are three standard sizes for the flag provided by the war department regulations: Garrison flag, 33x20 feet; post flag, 19x10 feet, and storm flag, 9 1/2 x 5 feet."

"In handling the flag it should not be allowed to touch the ground, and never allowed to lie upon the ground as a means of decoration, nor should it be laid flat with anything placed upon it."

"If you hang the flag from a window it should be suspended by the same edge which is ordinarily attached to the pole, and if two flags are hung together, the cantons should be placed together. If the flag is draped across the street the blue canton should be up."

"In draping the flag against the side of a room or building, the proper position for the blue field is toward the north or toward the east."

"The flag contains thirteen stripes, alternate red and white, representing the thirteen original states, and a star for each state in the Union."

**Stand at Attention**  
"When the flag is passing in parade, in review, or is being lowered, the spectators should, if walking, half, if sitting, arise, uncover and stand at attention."

"When the flag is used in unveiling a statue or monument, it should not be allowed to fall to the ground, but should be carried aloft to wave out, forming a distinct feature during the remainder of the ceremony."

"When the flag is flown horizontally the blue field should be at the upper left hand corner to the observer, when vertically the blue field should be at the upper right corner; when in either position the flag should be fastened only at the top."

"When the flag is flown at half staff as a sign of mourning it should be hoisted to full staff at the conclusion of the funeral. In placing the flag at half staff, it should first be hoisted to the top of the staff and then lowered in position."

"Whenever our flag and any other are hoisted on the same staff, the Star Spangled Banner must float from the top. In the heart of every American citizen the American flag must have the first and highest place—must be supreme."

### MILLION DOLLARS DAILY

WASHINGTON, D. C., Feb. 10.—The United States is spending \$1,000,000 in cash every day in payments to disabled former service men and their dependents. Colonel Charles S. Forbes, director of the veterans' bureau, declared in an address before a convention of 200 veterans.

The government will spend \$510,000,000 for soldier relief during the year 1922, Forbes said, pointing out that this sum was greater than the entire expenditure of the government for any year prior to 1921.

### LOVE CULT UNDER INQUIRY

LOS ANGELES, Feb. 10.—In connection with the William Desmond Taylor murder investigation, attaches of the district attorney's office today are looking into the affairs of an asserted love cult, with the ways of mysterious Orientalism.

The slain director is declared to have been on intimate terms with the members and to have possibly been one of the cult's followers.

## H. D. Jackson Family in Recital Tonight at First M. E. Church

A recital will be given by the H. D. Jackson family of Pasadena tonight at the First Methodist church.

The entertainment is under the auspices of the Philathea class.

Mr. and Mrs. H. Dyer Jackson and their daughter, Miss Mildred Lucille Jackson, are graduates of the New England Conservatory of Music and the Boston Conservatory of Music. They are known not only in the United States, but in the musical centers of Europe.

An organ recital will be given by Mr. Jackson. It will include "Hosannah" (DuBois), "Overture From Lohengrin" (Wagner), "Lamentation in D Minor" (Guilmant), and "March Pontifical" (Guilmant), "Meditation in D Flat" (St. Caille), "Will of the Wisp" (Nevens), and Massenet's "Elegie."

Several groups of songs will be sung by Miss Jackson, soprano, including "The Look" (Houseman), "Ave Maria" (Bach-Gounod), "Jubilo" (Kern), "La Phyllis" (Gilbert), "Pirate Dreams" (Hueter), "In Italy" (Boyd), "The Boogie-Oogie Man" (Durand), "Mr. Jinks" (Hall), "The Raggedy Man" (Krull), and "Saran Rose" (Ardite).

Mrs. Jackson will play the piano with an organ obligato. "Kammenoi-Ostrow" (Rubenstein) and "Pastorale in A" (Guilmant).

## Illinois Picnic at Long Beach Saturday

The annual reunion and picnic of the Illinois State Association of Southern California will be held at Long Beach on Saturday in Bixby Park if the weather is good or in the municipal auditorium if it is raining. Extra service will be supplied by the Pacific Electric to accommodate those of the 200,000 former residents of Illinois in the county who wish to attend. It is expected that this year's crowd will surpass that of any previous year.

A program has been arranged for the afternoon. The name of the principal speaker is being kept a secret as a surprise to the "Suckers." County registers, which have been of great assistance in enabling friends to locate neighbors, will be open all day.

Coffee will be served free by the refreshment committee of the organization. Those who do not bring basket lunches may purchase food on the premises.

This annual picnic is held each year in February in honor of Abraham Lincoln.

## RECEIVERSHIP IS SOUGHT

WILMINGTON, Del., Feb. 10.—Application was made in the United States district court here today for a receivership for the Columbia Graphophone company. Three stockholders of the company signed the petition. Insolvency was alleged, and the amount of liabilities was put at \$12,900,000 due banks and financial creditors and \$3,000,000 to merchandise and other creditors. No listing of assets was made. Hearing on the application was set for February 17. The company has factories in Bridgeport and Baltimore.

## STOP RHEUMATISM WITH RED PEPPER

When you are suffering with rheumatism so you can hardly get around just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Instant relief. Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes it warms the sore spot through and through. Frees the blood circulation, breaks up the congestion—and the old rheumatism torture is gone. Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Use it for lumbago, neuritis, backache, stiff neck, sore muscles, colds in chest. Almost instant relief awaits you. Be sure to get the genuine, with the name Rowles on each package.

## The Spirit of Charm!

## How to Select Children's Shoes

The most important thing about a shoe for a growing boy or girl is that it should conform to the natural shape of the child's foot.

Every shoe takes its shape from the last upon which it is made.

The Brown Shaping Lasts follow carefully the natural outlines of the child's foot for each different size and age.

And in addition are designed expressly to keep the feet shapely and to strengthen and build up the foot to physical perfection.

## For Girls For Boys BUSTER BROWN SHOES

are the only shoes made upon these famous lasts—the only shoes that conform to the proper shape of the growing feet—the only shoes that will build up and strengthen the bones and the muscles at every needed point.

This means that Buster Brown Shoes will keep your child's feet shapely—will make them strong and sturdy—will prevent corns, bunions and other foot ailments in after years.

Come in and see these shoes and you will realize why they are so popular and so reasonable in price.

## Buster Brown Shoe Store

122 North Brand Blvd.

## BAKERS WAR; BREAD DROPS

KANSAS CITY, Feb. 10.—Bread dropped to below pre-war prices here due to a war among bakers. A 14 1/2 ounce loaf sold for 5 cents. In 1914 the nickel loaf weighed 12 ounces.

## RECOGNIZE MEXICO, PLEA

WASHINGTON, D. C., Feb. 10.—A resolution calling upon the United States to recognize the Obregon government of Mexico was introduced in the House by Representative Ryan, Republican, of New York.

## IS SOME SNAKE HUNTER

SOUTH CANTERBURY, Conn.—John Sullivan couldn't make townspeople believe he had killed a black snake, so he went back and killed fourteen more and brought them in as evidence.

## "An Old Saw"

Every one has heard the old adage—"A Poor Workman Blames His Tools."

A good one doesn't—he sees to it that his tools are above reproach.

Tools that make his work easier and pleasanter and are a pleasure to keep in ship-shape condition.

Here you will find

## Tools for Every Need

Carpenters' tools, plumbers' tools, bricklayers' tools, tools for every trade are here in plentiful supply. Whatever tool you may be in need of we have it.

Come in and look over our display. You're bound to find the one you need, whatever it may be. Every one is of top-notch quality, solidly constructed, and will render satisfactory service.

## Pimply Skin?

Take MASTIN'S VITAMON TABLETS

Easy and Economical — Results Quick

Of what use are fine features with an ugly, mottled skin, flabby flesh, sunken cheeks, pouches under the eyes, or a careworn, sickly-looking face?

Few men there are now who cannot astonishingly add to their energy and vigor, clear the skin of eruptions and enjoy that splendid firm flesh "pop" of a well-built body.

Since Science wrested from Nature those mysterious life-giving, health-building elements—the vitamins—thousands upon thousands can tell you of the amazing and almost magic-like results from their use.

MASTIN'S VITAMON TABLETS contain not only yeast vitamins, but all three of the precious vitamins—A, B and C—specially concentrated and combined with true organic iron and the necessary lime salts which your system needs to keep you strong and well.

If you want to quickly clear your skin and complexion, put some firm healthy flesh on your bones, increase your nerve force and power and look and feel far better, make this simple test: First weigh yourself and measure yourself. Next, take MASTIN'S VITAMON TABLETS—two tablets with every meal. Then weigh and measure yourself again each week and continue taking MASTIN'S VITAMON TABLETS regularly until you are satisfied with your gain in weight, "pop" energy and improved appearance.

## LARGE, ATTRACTIVE MARQUISE BUILT BY LOCAL FIRM

Glendale Plumbing Company Is Specializing in Difficult Jobs in Sheet Metal

During the rainy weather practically everyone who has had occasion to visit the Chamber of Commerce building admired the beautiful marquee, fifty feet long and eight feet wide, which protect patrons of the Glen Inn and J. A. Newton Electric company, as well as visitors to the offices upstairs, from the elements.

Inquiry revealed that this work was done by the Glendale Plumbing company of 134-136 South Orange street which specializes in such difficult jobs. According to P. J. Sheehy, manager of the concern, there are 5000 separate pieces of sheet metal in the marquee which comes in the category of cornice work.

The sheet metal work, as well as the plumbing for the Huntley & Evans building, which will house the Pendroy Dry Goods company department store, also is being done by the Glendale Plumbing company.

An average of twenty men are employed by this concern the year 'round and Mr. Sheehy has made a lifetime study of the sheet metal, plumbing and steamfitting business. He employs only expert artisans and is prepared to handle the largest jobs of that sort.

## Account of Death of Lincoln in Old Papers

The value of a newspaper is clearly shown by the crowds which gathered in front of the First Savings bank window at Broadway and Brand boulevard reading the account of the death of Abraham Lincoln as printed in the April 15, 1865, edition of the "New York Special." The newspaper contains war department dispatches of the assassination of Lincoln printed in the old style form with large, half column heads.

An April 25, 1865, edition of the Indianapolis Journal, dedicated in memoriam to the president is also shown. The account was printed at the time Lincoln's body passed through that city, as it was transported through eastern cities of the United States.

The display is one of the greatest attractions in the city at the present time and is being read in detail by practically every person who stops to notice it.

The copies of these papers were given to C. L. Freeman of Los Angeles by his grandmother, who was a resident of New York at the time of the assassination of the president. The editions were sold on the streets of New York at 4 cents per copy, but their value today is tremendous. Not only are these papers valuable to a collection from an antique standpoint, but they are the fundamental factors in the recording of history.

Contrary to present day styles, the accounts of the assassination are official, all bearing the signature of Edwin M. Stanton, secretary of war under President Lincoln.

## RAIDERS SEIZE POLICEMEN

BELFAST, Feb. 10.—Armed Republican raiders swept across the Ulster frontier again today and seized nine soldiers and special policemen in Fermanagh county. Fire broke out at Enniskillen, the largest city in Fermanagh county, and was in progress sporadically at last reports. The men kidnaped in Donegal county were reported to have been released this evening.

## L. A. GAS OFFERS BONDS

SAN FRANCISCO, Feb. 10.—To provide for its 1922 program of development Los Angeles Gas & Electric corporation has made application to the railroad commission for authority to issue \$2,000,000 par value of its preferred capital stock and to sell the shares at not less than \$87.50 a share.

Japanese workmen wear on their caps and backs an inscription stating their business and their employer's name.

## Farm Labor Remains High by Corn Prices

LINCOLN, Neb.—Measured in corn at the present price of that cereal, farm labor in Nebraska today is higher than it was at the peak of war-time prices.

This fact is pointed out by E. C. Paxton, statistician for the United States Bureau of Markets, a recent visitor in Lincoln. Mr. Paxton says the present average farm wage in this state is 250 per cent higher than in 1890; whereas wheat is only 20 per cent higher, and corn is selling at 20 per cent less than in 1890.

## Male Flirt Trapped By Revolving Door

NEW YORK—This story revolves around a moral. Do not flirt in a revolving door is the moral.

Carl Fisher, 24, of Brooklyn, stepped into a door of a restaurant. As he did so Mrs. Hannah Keith entered from the opposite side on her way out. Police say Fisher looked at Mrs. Keith, smiled and blocked the door with his foot, holding her captive.

But she did not remain captive. Becoming incensed she threw her full weight against the door and Fisher was propelled inside the restaurant—into the arms of her husband, who had waited to pay the check. Fisher was given a suspended sentence.

## Soap Box Orators to Talk Down Socialists

NEW YORK—"Soap box" orators will take the stump in a campaign against Socialism here in the spring. It has been announced by the Constitutional Defense League, an organization of war veterans formed in Wisconsin for the same purpose in that State and in the Middle West.

The Socialist orator will be met on his own field in an attempt to keep Socialists from being elected to any office in the city.

A branch of the "Soap Box" University, to train anti-Socialist speakers, will also be opened.

Conversion into flats which would accommodate 3,000 persons is the suggested fate of the former United States transport Leviathan, now lying at a Hoboken pier.

**BATTLE BY ROUNDS  
IS POPULAR WITH  
WRESTLING FANS**

New System Seems to Meet  
Approval; Minor Series in  
Baseball Again Urged

By HOWARD M'GILLIS  
Sporting Editor The Evening News  
Recently several thousand Chicago wrestling fans were privileged to witness the first mat contest "by rounds" to be introduced in this country when Johnny Myers, middle-weight champion, successfully defended his title against John Kilonia. The deciding fall came in the fourth round.

The newly adopted method of staging exhibitions of the grappling art has met with favor in almost every part of the United States and it is generally considered that it will only be a matter of time until the old-fashioned tiresome and monotonous endurance tests will give way to the more interesting and scientific system.

The Chicago bout was conducted in ten minute rounds with three minute rest periods "between drinks," the arrangements being not unlike that used in boxing exhibitions and prize fights.

For Minor World Series

H. L. Smith, owner of the Indianapolis baseball team of the American association, who is spending the winter months in Los Angeles, is a strong booster for an annual minor league world's series. The association magnate claims that such an event should be put on a firm basis by the leaders of the three Class AA leagues in the country, and that the plan would insure better baseball and therefore better gate receipts during the season.

The first and only minor league world's baseball series was played in Los Angeles in 1919 when the Vernon team, champions of the Coast league, defeated Indianapolis 5 to 4 in one of the "wildest and weirdest" exhibitions of the national pastime that has ever been seen on the coast.

P. C. Well Represented

With Arnold "Twin Six" Statz and "Hack" Miller cavorting in the outfield for the Chicago Cubs during the coming season, the Pacific Coast league will be well represented on William Wrigley's major league entry. Both of these players are well known to baseball followers from Los Angeles to Seattle and their activities in the big brush will be closely scrutinized throughout the summer.

It's a 100 to 1 cinch that this pair of aces will be battling with "the best of 'em" when the league comes to a close next September. It is claimed by many experts that it was Statz's sudden mid-season spurt that was responsible for the Los Angeles club winning the pennant last year. While Miller is not as spectacular as the former Seraph star he has been one of the most dependable outer gardeners in Prexy McCarthy's circuit during the past few years. A pair of ailing lower extremities has kept "Hack" out of the majors before this year.

Signed for Salt Lake

Following is a list of players that have been signed by Manager Duffy Lewis for the 1922 Salt Lake City club:  
Pitchers—Hollis Thurston, Jack Bromley, Elmer Reiger, Al Gould, Rudy Kallio, Ralph Stroud, Harry Trefts and Harry Blaesner.  
Catchers—Byrd Lynn, Joe Jenkins and Lee Edwards.  
Infielders—Paddy Siglin, Harry Sands, Oscar Vitt and Jimmy Esmond.  
Strand and Joe Wilhoit.  
Outfielders—Manager Lewis, Paul

**WAGE CUTS ANNOUNCED**

BOSTON, Feb. 10.—Wage cuts are almost simultaneously announced in many New England centers of the textile industry. Most of the reductions are 20 per cent. The mills in Lewistown, Maine, and the Amoskeag mills at Manchester, N. H., the largest of their kind in the world, are among those announcing this pay cut. Union officers in the plants affected by the reduction were making plans for a vote on acceptance of the reductions or a strike.

Many Feature Exhibits Will Be Installed  
At Twelfth National Orange Show; Large  
Display Room Is Secured By Officials

LOIS YOUNG

And an artistic feature exhibit at the Twelfth National Orange Show at San Bernardino, February 17 to 27

Plans for the Twelfth National Orange Show to be held in San Bernardino for ten days, starting February 17, indicate the most stupendous citrus exposition ever presented. Feature exhibits will be installed by practically every chamber of commerce and civic organization in southern and central California. Some of the features will be of such magnitude and richness as to defy description. It has been announced that the feature exhibitors will be in greater number than ever before at this year's fair.

To care for the ever expanding size and number of the displays, the orange show officials this year have purchased a new tent 340 feet in length. This tent has already been erected and a number of the exhibits have been installed. The former tent, a monster itself, has been moved back to care for the industrial section, while the third tent will house part of the industry exhibit and the automobile show.

The entire wall space of the

feature tent has been reserved for rack displays by various civic and municipal bodies. Choice fruit is displayed in competition for the prizes. The judges choose the fruit at random and judge it on all points. The decorative plan this year is to follow a strict California outline. Poppies of various sizes, ranging from those of the natural flower, to huge imitations of more than a foot in diameter, will be used.

Large statues of grizzly bears will be placed about the tents. The industrial section this year will include a number of interesting exhibits. The United States Department of Forestry will present a view of the southern California mountains and the activities of the department in connection with the forests. The automobile show this year will contain advance models and will be strictly up-to-date in its presentation.

In fact, according to the officials, the outlook is promising for the finest orange show in history.

**Salvation Army Head  
to Talk February 19**

Those interested in the activities of the Salvation Army are looking forward to a visit to Southern California by Commander Evangeline Booth, chief officer of the Salvation Army in the United States. She will speak at Trinity auditorium, Los Angeles, on Sunday afternoon, February 19, at 2:30 o'clock. It is stated that Commander Booth is one of the few noted women orators of the world, and this particular lecture, known as "The World's Greatest Romance," is her greatest lecture. Charles H. Toll of this city is a member of the advisory board of the Los Angeles organization.

Peasants of those European countries where black bread is eaten usually have exceptionally good teeth.

**DRESS WARM AND  
KEEP FEET DRY**

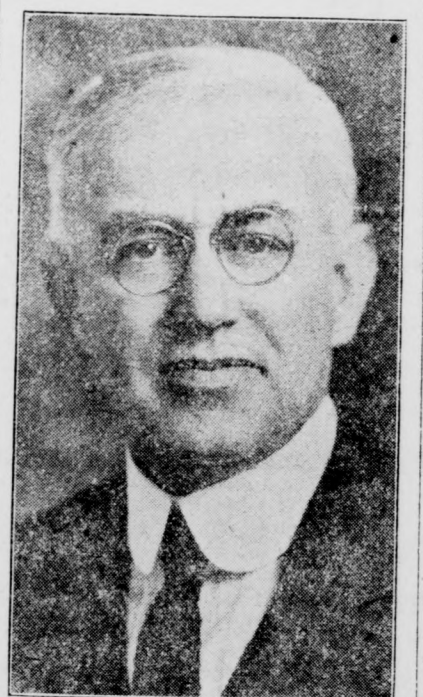

Tells Rheumatism Sufferers to  
Take Salts and Get Rid of  
Uric Acid

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water. Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities. Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.—Advertisement.

**SHOT TO DEATH IS CHARGE**

WASHINGTON, D. C., Feb. 10.—Two American soldiers were shot to death at Is-Sur-Tille, France, by a mob of angry fellow soldiers, Capt. William M. Miller, 4303 Virginia street, Dallas, Texas, testified before the special committee investigating charges brought by Senator Watson, Georgia, of alleged illegal killings in the A. E. F. Miller said the soldiers were accused of assaulting two aged French women.

## TROOPS PROVE BIG HELP AT CAPITAL THEATRE CRASH

Hundreds of Willing Workers  
Furnished by Army; News  
Notes of Washington

By U. S. Press Association.  
WASHINGTON, D. C., Feb. 10.—When the Knickerbocker theatre disaster occurred the first agency for organized relief to get on to the ground was the fire department. The police were there in large numbers. Naturally, there was endless confusion, and no one seemed to know exactly what should be done. Then the soldiers arrived, and they gave a demonstration of efficiency the like of which has never been witnessed under circumstances of such peculiar stress. "The people of the United States ought to be proud of their army," said President Cuno H. Rudolph, of the Board of Commissioners, of the District of Columbia. In an official statement he has added: "Every citizen in the District of Columbia owes a debt of gratitude to the army for the prompt, workmanlike and unselfish manner in which it responded to the call for help during the Knickerbocker theatre disaster—a debt which our people can never repay. The army furnished hundreds of willing hands and provided the tools with which they worked to rescue with all possible speed the scores of dead and dying victims trapped in the mass of snow-covered wreckage. It has been reported to me that the first acetylene torch and the gas to work it, the first jacks, picks and shovels, were rushed to the scene of suffering in quartermaster corps trucks by quartermaster men. It is abundant proof that our army has its mission in peace as well as war, and the nation can count on it in the future as it has in the past. I thank God that the regulars were as close at hand when they were so urgently needed in the nation's capital."

### Preparing for Strike

Plans of the government to cope with the situation which might arise in the event of a strike of coal miners when the present agreements expire at the end of March are being worked out by the Department of Justice. "I am satisfied," said the attorney-general, "that there is all the law necessary to do all that is needed and additional legislation would not be needed or helpful."

### Soldiers' Bonus

The secretary of the treasury appears to stand pretty much alone in the administration in opposing the soldiers' bonus. He insists that there is no feasible way to provide for financing such a tremendous outlay, and on second thought he trots out the suggestion of increased first and second-class postage and additional tobacco levies. Of course, Mr. Mellon knows how unpopular such measures always are, and it is suggested that he has hit upon these alternatives as a means to bring discredit upon the bonus plan. Meanwhile the American Legion has been waging a persistent campaign, and from all appearances has congress thoroughly lined up in favor of the bonus.

### To Cut Federal Inquiries

Attorney-General Daugherty says that many of the investigations his department has been called upon to make were started through spite work, or because of competition and by individuals desirous of using the government to help them against other competing concerns. The attorney-general reports considerable progress in the investigation of profiteering in retail prices throughout the country. The necessity of going into the question of manufacturing costs, he explained, has made the investigation more extensive and delayed its earlier conclusion.

### Proposal Before Congress

Secretary of War Weeks has furnished congress with the Ford proposal to take over Muscle Shoals. Mr. Weeks opposes the proposition for a 100-year lease, and says that if congress takes up Mr. Ford on his offer that the lease should be cut down to 50 years. The Ford proposition is not endorsed by the war department, and congress is left without definite recommendations as to what they should do about accepting it. Mr. Weeks thinks, however, that the government should go ahead and complete part of the Wilson Dam undertaking.

### Changes in Cost of Living

The department of labor has issued a report in some detail covering changes in cost of living. These reports show the average decrease from June, 1920, to December, 1921, throughout the United States to have been 19.5 per cent. The decrease from September, 1921, to December, 1921, is not very marked, being only 1.7 per cent in the country as a whole.

### Drop Latin-Republic Plan

Plans to form a federation of Central American republics have collapsed, according to information received at the state department in Washington. The federal council sitting at Tegucigalpa, in whose hands was the work of forming the proposed republic of Central America, has suspended its activities. Honduras has taken steps to resume its sovereignty as an independent state.

### Urges Deep-Waterways Route

Senator McKinley of Illinois has opened the ball in the senate in favor of the construction of the St. Lawrence river deep-waterway project as a remedy for "the growing inadequacy" of trans-continental freight carriers. Already several speeches have been made in support of the measure in the house of representatives.

Peculiarity of ignorance is that it is hardly ever ashamed.

## How Much Have You Saved This Year?

One month of 1922—one-twelfth of the year—has gone.

"How much have you saved?"

"None?"

Well, then, isn't it time to start? You have already lost one month of the year.

There are two ways of saving money. One is to spend what you wish out of your income and save what is left—if there is anything left. The other is to save at least 10% of your income first, and make yourself live on the balance. This plan is much preferred.

It is important to save consistently and spend wisely.

—On Special Savings Accounts we pay 3 per cent and allow checking privilege.

—We can help you save, and make your savings earn interest for you.

### WEEKS FEARS FOR FARMER

WASHINGTON, D. C., Feb. 10.—Fear that the American farmer is doomed to disappointment in his belief that he will obtain cheap fertilizer from Muscle Shoals under the development plan of Henry Ford was expressed by Secretary of War Weeks.

Resuming his testimony before the House military affairs committee, Weeks not only expressed this fear, but he also declared the government is getting practically no monetary return on its \$105,000,000 investment, under the terms of Ford's proposition.

There are more than 1,000 species of lizards.

### Tombstone Styles to Adhere to Plainness

CHICAGO—As in everything else, styles in tombstones have changed.

Nowadays the vogue is the small tombstone of exact proportions and plain lettering, according to delegates who addressed a meeting of the Illinois Retail Monument Dealers' association. H. C. Witaker, of Madison, Wis., said:

"The public is being educated to real art in the matter of tombstones. We have come to be known as dealers in memorial art rather than tombstone dealers."

### PREPARING FOR REFUNDING

WASHINGTON, D. C., Feb. 10.—Conversations between Secretary of the Treasury Mellon and Ambassador Geddes of Great Britain are now under way preparatory to the funding of the British indebtedness to the United States. It was learned officially at the treasury department.

Secretary Mellon stated that as soon as the foreign debt funding bill has been signed by the President, the commission to carry out the funding of the debts will be ready to act immediately. The treasury department, he said, would be ready to proceed with the funding debts without delay.

### 2,000,000 Children of Russia Will Be Fed

NEW YORK—Meals for 2,000,000 children in the famine regions of Russia will be provided by the American Relief administration by March 1, according to announcement made by the local office of the relief body. Shipment of food commodities is being rushed from America.

The Relief Administration hopes later on to undertake the feeding of starving adults.

Already the largest port in France, the capacity of Marseilles for shipping will be doubled.

## EXTENSIVE PROGRAM UNDER WAY FOR IMPROVEMENT OF STREETS

Glendale Is Making Every Effort to Have Work  
Done on Thoroughfares, Statement by Officials

Is your street scheduled for improvement?

An extensive program of street improvement is now under way by the city of Glendale. C. L. Hill, city engineer, remarked yesterday afternoon that it would be quicker to pick out spots where work is to be done than to enumerate all of the streets which are to be oiled and resurfaced as soon as the city can get around to the work.

W. J. McIntyre, chief clerk for the street department, called attention to the fact that the city has street work in many different stages. Some streets have just received the approval of the city inspectors; contracts for other streets are ready to be let at once; proceedings in regard to certain streets are now in process; some contracts for street work have been let but the work has not commenced yet; other streets are in actual process of improvement.

### Big Program Outlined

"We have a street program that will keep us busy until 1923," remarked Mr. McIntyre. "We are going after the different jobs just as fast as possible considering delays incidental to complying with city ordinances and letting contracts. New petitions for street work are being filed weekly."

Orange street from Lexington drive to Milford street has just been surfaced with a three inch macadamized paving by Thomas C. Breitenstein who has just turned over to the city a five inch similar paving on Milford street between Central avenue and Brand boulevard. Cornwall and Henderson have just been finished oiling and surfacing. Maple street and Verdugo road has just been completed by Peter L. Ferry.

Work is now in progress on Harvard street between Pacific and Kennilworth avenues; Chestnut street from Granada street to two blocks east; Maryland avenue from Dryden street to north city limits; Commercial, State and Concord street between Doran and Milford street; Doran and Milford streets between Chester street and San Fernando road.

### Work Soon to Start

Contracts have been awarded to the Fleming Construction company of Pomona and work will be started in about fifteen days upon Doran street between Geneva street and Glendale avenue, and Lexington drive between Isabel street and Glendale avenue, both of which will have a three inch macadamized paving; Howard, Geneva and Everett streets, between Lexington drive and Doran street, will be oiled and surfaced.

Peter L. Ferry of 614 East Acacia avenue has been awarded the contract for oiling and surfacing Elk street from Everett to Cedar street, Napier and Simpson of San Fernando have received the contract for Columbus avenue between Vine street and Broadway; Kennilworth avenue from Harvard street to Colorado avenue; Elk street from Central to Pacific avenue; and Garfield avenue between Glendale avenue and Brand boulevard.

### Call For Bids

The city is now calling for bids for oiling and surfacing California avenue between Columbus and Kennilworth avenues; Elk street from Pacific avenue to San Fernando road.

The city council Thursday night will be asked to order the oiling and surfacing of Justin avenue between

Glenwood and Eighth streets; Lexington drive from Pacific avenue to Chester street; Belmont street south of Lomita avenue.

Proceedings are now in process and in about a week bids will be received for the improvement of Isabel street from Harvard street to the wash and in about two weeks for Geneva street from Doran street north to the wash.

Proceedings were started last week for the improvement of Griswold, Fisher and Porter streets between Colorado avenue and Maple street in Meeker's Orange Manor Tract.

Soon proceedings will be started for the care of Los Feliz road between Glendale avenue and San Fernando road and Maple street from Sycamore Canyon road to Verdugo road.

### Is Your Street Here?

The following stretches of streets are on the docket of the street department for consideration as soon as possible:

Columbus—Broadway to California.  
Kennilworth—Broadway to California.

Colorado—Pacific to San Fernando.

Mariposa—Windsor to Acacia.

Forest—Glendale to Brand.

Oak—Central to Kennilworth.

Broadway—Pacific to San Fernando.

Chestnut—Adams to Sycamore Canyon.

Windsor—Adams to Verdugo.

Granada—Maple to Lomita.

Stanley—Adams east.

Wilson—Verdugo to east limits.

Gilbert—Central to Pacific.

Pacific—Myrtle to Burchett.

Everett—Maple to Lomita.

Pacific—Myrtle to Burchett.

California—Columbus to Kennilworth.

Vine—San Fernando to Tenth.

Jackson—Doran north to wash.

Howard—Wilson to Lexington.

Jackson—Broadway to Colorado.

Kenwood—Broadway to Colorado.

Louise—Doran north.

Harvard—Glendale to Verdugo.

Orange Grove—Glendale to Adams.

Glendale—Lexington to Eulalia.

Park—Glendale to Central.

Cerritos—Brand to San Fernando.

El Bonita—Gardena to San Fernando.

Eulalia—Brand to Central.

Laurel—Brand to Central.

Acacia—West of Cerritos.

Garfield—Central to Brand.

Adams—Wilson to Lexington.

Chestnut—Central to Brand.

Elk—Central to Glendale.

Lomita—Brand to Adams.

Stocker—Central west.

Doran—Brand to Central.

Dryden—Pacific to Columbus.

Columbus—Stocker to Dryden.

Milford—Central to Columbus.

Rock Glen—Verdugo to east limits.

Princeton—San Fernando to Gardena.

Adams—Lexington to Monterey.

Lexington—Pacific to Chester.

Doran—Columbus to San Fernando.

Dorothy—Stocker north.

San Rafael avenue.

Sycamore Canyon Road.

## Inferior Tires Show Effects of Weather, Says E. P. Demarest

"The time is coming very soon when real tires will be needed again," recently stated E. P. Demarest, manager of the Automobile Tire company's branch at 211 South Brand boulevard.

"During the chilly weather we have been experiencing the last month or two the inferior brands of tires, or cold weather tires, might have stood up fairly well. But with the warm weather, tires that can and will stand heat will be popular. Nobody likes tire trouble at best, let alone in the hot summer sun."

"With its large stock of high grade tires the Automobile Tire company feels able to handle this demand for good tires, buying as it does in carload lots and paying cash and operating under a policy of small profit and large volume of business, this company is able to sell first class standard guaranteed tires at a price which often comes from 25 to 30 per cent under the regular price."

"The company carries all makes of tires with prices ranging from the lowest to the highest. Free tire service is included in all prices. Motorists of Glendale are finding this shop a real bargain center."

"It has always been the policy of this concern to maintain the same stock in all its branches with the same prices. Motorists living in and around Glendale can buy their tires at home and know that they are saving just as much as by going to Los Angeles."

## PLAN TO SCRAP SHIPS

WASHINGTON, D. C., Feb. 10.—A special board of naval officers has been convened by Secretary of the Navy Denby to work out plans for the scrapping of the capital ships which are to be disposed of by the United States under the terms of the five-power naval treaty negotiated by the armament conference. It was learned at the navy department today. The board is already at work.

## AUTO STICKS IN CEMENT

ELYRIA, O.—Thinking he was driving onto a newly completed concrete road, George Spencer of Grafton, put on the gas. The auto struck the recently laid cement. Spencer called on the police for aid to chop out the auto before the car set too tightly.

## The World Over

By FRANKLIN B. MORSE  
PACIFIC SPORTS SERVICE

When the Pacific coast baseball season opens, the Sacramento club will be "at home" in one of the finest ball parks owned by a minor league outfit. Seventy-five thousand dollars has been expended by Lew Moreing on his playground, which will comfortably seat 12,000 persons. Ground was broken on November 25, 1921. It will be ready for this season's play.

This is the open season for confessions of professionalism from football players. Have you a little professional in your home?

While there is a unanimous concurrence that Babe Ruth deserved exactly what he got at the hands of Judge Landis for transgressing the rules set down for the government of baseball players, nevertheless, there is no doubt that there are thousands of fans throughout the country who hope that the judge will modify his sentence which, while it may deprive Ruth of the money he earned in the world's series, at least will not keep him out of the start of the baseball season. As it is now, Ruth will lose at least a month of play before the bars are lifted to his appearance on the field. There is a general feeling that Ruth has seen the error of his ways and also has seen that it does not pay to monkey with the powers that be. Thus, having learned his lesson, and with a fine to boot, it is felt that keeping Ruth out of the game is, in a measure, also a punishment to the fans, who are anxious to see what he can do again this year.

## Sports Chatter

By BILL UNMACK  
PACIFIC SPORTS SERVICE

From all appearances the Pacific coast colleges will be represented in the various eastern track meets this year in larger numbers than ever before.

The University of California which won the I. C. A. A. A. championship at Cambridge, Mass., last year, defeating Harvard by half a point will again compete. Now comes the announcement that Stanford will send the largest team to the meet that it has ever entered. In past years Stanford has been represented by four or five men only, but this year the team will be composed of at least ten men and probably more.

On top of this comes the announcement that the University of Redlands and Occidental College, will send teams to the Pennsylvania University relay carnival in April. The University of Washington and probably the University of Oregon are figuring on sending teams to the National Collegiate championship which will be held at Chicago.

If all these colleges send the men that are mentioned at the present time, the cream of the coast colleges will be pitted against the eastern stars in the various events.

The announcement of Graduate Manager Fletcher of Stanford, that the Cardinals will send a team of ten or a dozen men adds considerable zest to the I. C. A. A. A. meet from a Pacific coast point of view. Every one of the ten men mentioned are stars of the first degree on the coast, and they include Morris Kirksey who won the I. C. four hundred title last year.

### Heiress, Dressed for Opera, Is Found Slain

ROME—The strange murder of an heiress and her adopted daughter by three young men who, after strangling the women, dressed the bodies and made them appear as if they were preparing to go to the opera was recently uncovered by the Italian police.

When the police entered the apartment of Mme. Cogo they beheld two women sitting at the dining table richly dressed and heavily jeweled as if on the point of going out for the evening. A further glance showed that the women were dead. Fumes from a half-dying fire in the chimney seemed to indicate that the women had been suffocated by gas, but on questioning the servant the police discovered that this was a ruse perpetrated by the murderers in order to distract attention.

The murderers were discovered by police to be two relatives of Mme. Cogo, who had feared that the aunt would bequeath her entire fortune of 3,000,000 lire to the adopted daughter.

### Wedded Six Times, Woman Calls Halt

MILWAUKEE, Wis.—Mrs. Augusta Deisert Grimm, six times married and five times a "widow," has taken a pledge never to "promise to obey and love" again.

"Never again!" Mrs. Grimm murmured as she walked from Judge A. C. Backus' courtroom following her acquittal on a charge of bigamy. "Six times is sufficient."

Mrs. Grimm had been charged by her sixth and latest husband, Peter Grimm, with having married him before she had obtained a divorce from John Deisert, who served in the capacity of her fifth and also her third husband.

"I was happy when I married the first time, back in 1874," she said. "I was fifteen years old then, but I lived with my first husband almost thirty years. Then I married again, and four months later my second husband was accidentally drowned. I was happy while I had him, too."

It was at this point in Mrs. Deisert's life that John Deisert entered. After living with him a short time she was divorced. Later she married again and was divorced once more. She then married John for the second time. They separated a few months later, and after seven years she married Grimm.

Worry fills more graves than want.

### Europe Sees Senate As Bogey of World

By DAVID M. CHURCH.  
Written for International News Service  
LONDON—The poor old United States Senate, battered and buffeted about by the American public, stands out in Europe as the sinister "bogey man" of old world statesmen.

Fresh from the United States, where the dignified Senate is not always regarded with the greatest of reverence, one finds himself confronted in Europe with an entirely different view of this "greatest deliberative body in the world."

In Europe the United States Senate is looked upon as the barrier to many of the hopes of the European statesmen.

Apparently Europe cannot forget the League of Nations debacle, when the statesmen of the Old World thought they had succeeded in concocting a diplomatic pill for the international malady of "too much war," only to find that an unconquered member of the international association of doctors threw the "pill" out of the window.

Europe doesn't place much faith in future aid from the United States, according to the general impression one gets in political and diplomatic circles. There is no lack of faith in American leaders, but there is a decided disposition to incline to the belief that the United States Senate is prepared to block any move initiated for European relief which calls for American participation.

Europe and the European press pay attention to the United States

Senate, and the statements of Senators, speeches in the Senate, which are passed by American newspapers as simply "mere oratory," get promulgated in the European press, and statesmen shake their heads wearily over speeches that are regarded in the United States as the sort of talk which is expected from Senators and forgiven.

Great Britain isn't wildly enthusiastic about the results of the Armament Conference in Washington. Part of this may be charged up to the well-advertised restraint of the British, but in general it is due to the fact that in Europe they don't figure anything accomplished in the United States until the Senate has consented.

Great Britain and the rest of Europe want the United States playing on their side, but they will never feel sure of the position of the American government in the future, for they have dire fears of the Senate and credit it with being the most perverse organization in parliamentary history.

There are Senators who storm and rage beneath the great white dome of the Capitol and get not a ripple of attention from the American public, yet they would swell with pride if they but knew the attention Europe gives their oratory.

President Harding may feel that he has the Senate all lined up, but he will have hard work convincing European statesmen that the ninety-six men who sit on either side of the "Cherokee Strip" are not "international bogey men."

A blotter is something we look for while the ink gets dry.

### Tall Actress Claims She Has Many Woes

LONDON—"In any other profession than mine to be tall is an asset!" declares Miss Viola Tree, famous comedy actress and seventy-four-inch daughter of Sir Herbert Beerbohm Tree.

"But to be a tall actress!" says Miss Tree. "That is quite another matter. The tall actress has to consider so many things when she is rehearsing. She must not walk with long strides but she must hit the happy mean or she will mince along absurdly. She must kneel on a chair, lounge or sit when talking to a shorter member of the cast, or her height will be too obvious and make the scene ridiculous."

"When it comes to matters of dress the difficulty is very real. I have to think out my stage frocks very carefully indeed, although, being stock size in everything but height, I have little trouble in private life."

"You see, anything that adds to the height is dangerous. Your hats must, where possible, be broad-brimmed and droop, or be of the flat Tam o' Shanter description. And shoes! I have long, narrow feet and high insteps, but a shoe to show off these good points must have high heels."

"Of course, if you happen to be a tragedienne height is not such a drawback; but I prefer comedy parts. But I yearn in vain."

The aristocrat of the garden is the one-time despised potato.

### FAVOR APPROPRIATION BILL

WASHINGTON, D. C., Feb. 10.—Independent offices appropriation bill for the next fiscal year, totaling \$509,687,084 was reported favorably by the Senate appropriations committee. The Senate committee had increased the appropriation by \$124,509,100 over the total approved by the House.

### SINGER SUES FOR DAMAGES

NEW YORK, Feb. 10.—Alleging defamation, Mme. Johanna Galski Tauscher, singer, has instituted a suit for \$500,000 damages against the Chicago Opera association, incorporated. Papers in the action were filed in the United States court by her counsel, William L. Wemple.

## THIS EXPERT SAYS SEA SHARKS HAVE COME TO STAY

Submarines Formidable Engines of War, Declares Admiral of England

By EARLE C. REEVES  
By International News Service

LONDON—Submarines have come to stay, whether we like it or not, is the emphatic declaration of Vice-Admiral G. A. Ballard, former director of operations in the British Admiralty.

In more dramatically phrased, if less vigorous, style, he is taking up the cudgels after the fashion of the late Admiral Fisher who conducted a famous letter-writing campaign on the thesis that submarines and aeroplanes had negated the capital ship. His war cry was "Scrap the lot!"

Ballard does not go so far as his one-time chief, but he is hammering relentlessly into the British public his belief that the Empire must have submarines.

"We must avoid the attitude that these vessels are subject for contempt," he declared, referring to the case against them presented by Mr. Balfour at Washington. "They are formidable engines of war, requiring to be treated as such."

#### Useful Mine Layers

"Although in the war not a single British or French battleship was sunk by German guns more than a dozen met their fate either in direct encounter with submarines or by mines that submarines alone could have placed where they were."

"That in itself furnishes conclusive evidence of the effectiveness of the submarines, even when used in a perfectly legitimate way, as we used them ourselves. Moreover, this evidence does not stand alone, for the moral effect of submarines is very great apart altogether from their threat to merchant ships."

"Had they never existed it is almost certain that we should have forced our way into the Baltic and by attacking or menacing the German rear, altered the entire course of the war."

#### Movements of Fleet

"Again, it was the fear of submarines that affected the whole movements of the Grand Fleet and compelled us to drain all other war areas of destroyers in order to protect our battleships, with the result of seriously weakening our position in these areas. And yet again, it was the German submarines that forced the withdrawal of our heavily-armed ships from advantageous bombardment positions outside the Dardanelles, after the Majestic and the Triumph had been sunk."

"The claim that fifteen million troops were safely conveyed across the Channel proves very little against submarines, for these narrow waters are especially favorable for defensive precautions, and our precautions were conducted on a specially extensive scale."

### Small Radio-Phones Are Aid to Police

CHICAGO—Chicago's police force is to be equipped with miniature wireless telephones. Each policeman will have one.

The entire department will be equipped by the end of the year, according to present plans.

William G. Keith, superintendent of the City Department of Electricity, is now working out this remarkable feature of police work. The experiments he has already conducted have convinced him and Chief of Police Charles C. Fitzmorris that this innovation will be one of the most useful made in years.

No matter in what part of the city a policeman is traveling headquarters can communicate with him instantly by wireless.

"I am satisfied that by the end of the year we can equip every policeman with one of these marvelous little instruments," said Mr. Keith.

The pocket wireless is not exactly new. It was used slightly by the Intelligence Department in the war.

The device will enable the policeman to receive a message, but he cannot send one.

### Pupils Study Bible in Nebraska School

LINCOLN, Neb.—Public schools of University Place, an aristocratic suburb of Lincoln, have taken up a course of Bible study.

"This course," says A. J. Dixon, school superintendent of that district, "is non-religious and non-sectarian. It will promote no creed or faith. Instructors are forbidden to interpret truths of the Bible. We are introducing the course to make better Christians, just as we study geometry to make better mathematicians."

The course was adopted with the consent of the school board and on the advice of counsel that Bible study could not be prohibited under Nebraska's school laws.

### JAPANESE SOON TO SAIL

WASHINGTON, D. C., Feb. 10.—Baron Admiral T. Kato, head of the Japanese delegation at the arms conference, accompanied by Vice Minister of Foreign Affairs Masano Hamahara, and the entire Japanese delegation staff, will sail for Japan aboard the liner Taiyo Maru, from San Francisco on February 21, it was announced at the Japanese embassy here.

No cucumber frame should be without one or two toads.

### Wireless Found Aid in Recovering Autos

DETROIT—Following the plan of Chicago, every policeman in Detroit will carry with him a miniature wireless telephone when experiments now being conducted by the signal bureau of the police department are completed.

"We have been unable yet to find a pocket set that would fill requirements and weigh little enough to be carried easily by the individual," declared Inspector W. J. Potts, superintendent of the signal bureau. "But within a few months we expect to develop just what we need."

"I consider wireless the greatest innovation in police work today," declares Police Commissioner Inghes. "Our new wireless enables us to keep in constant touch with cities in a wide zone. This is proving a great factor in locating stolen automobiles."

### Would Wed If He Had Life to Live Over

MILWAUKEE, Wis.—If you were to live your life over would you wish it to be different? What would you change? Your profession? Yourself?

J. V. Houghtaling, executive secretary of the Milwaukee Council of the American Legion, says there is only one thing in his life he would have different.

"I am sure that I would live a new life very much as I have my present one, with the exception of one thing," he said. "I am not married, but if I had it to do over I would marry. Every man should."

### WOMAN CLAIMS FORTUNE

LINCOLN, Neb., Feb. 10.—A woman who says she is Mrs. Maude Delmont is in Lincoln today to claim a share of the fortune left by Mrs. Katherine Stone. Mrs. Delmont says Mrs. Stone was her grandmother. Attorneys in charge of the estate have delayed settlement until they can investigate the story. Mrs. Delmont will get \$65,000 of the Stone estate if her story is true. A woman of the same name figured in the charges against Roscoe Arbuckle at San Francisco.

The members of the British royal family are not required to pay taxes on their property, though, as a matter of courtesy, they do so.

### Pershing Gives War Trophies to College

LINCOLN, Neb.—University of Nebraska is the recipient of what is said to be the best collection of Philippine war implements ever brought to this country. It is the gift of Gen. John J. Pershing and contains several weapons and coats of mail that date back beyond the fifteenth century.

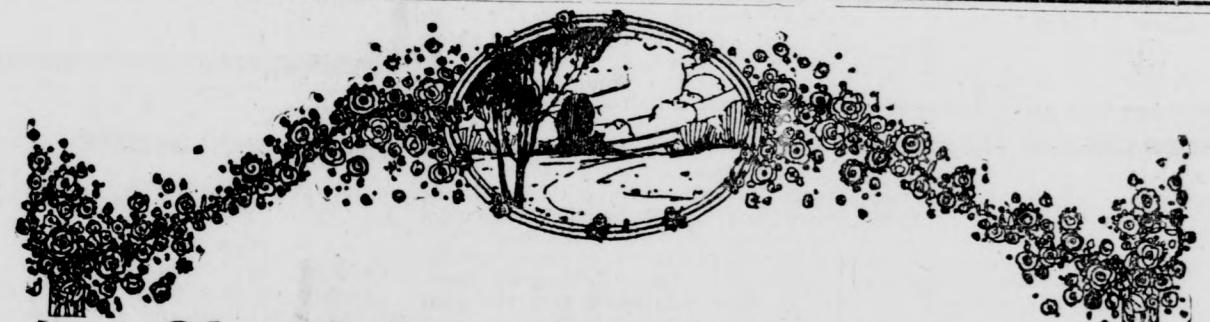

A collection of Philippine birdskins, also presented to the university by General Pershing has been mounted and placed in the museum.

Perry. Bids were referred to the city engineer for checking and report.

### No Protests Received

Protests were called for at this time against improvement of Geneva street (Doran street north to Wash). There were no protests present and the clerk reported no protests received.

### Opening of Hawthorne

Protests were called for at this

time against opening of Hawthorne street (Pacific to San Fernando Road). There were no protests present, but the clerk reported protests were received and on motion of Councilman Stephenson date of hearing said protests was set for Thursday, February 23, at 7 o'clock, and protests referred to city engineer for checking and report.

### Los Angeles Street

On motion of Councilman Stephenson, proceedings for the opening and widening of Los Angeles street were ordered held up until parties interested came to a satisfactory agreement. Roll call, all voting aye.

### Koebig & Koebig Paid

On motion of Councilman Davis, the sum of \$100 was ordered appropriated from the unappropriated reserve account and this amount paid to Koebig & Koebig.

### Petty Cash

On motion of Councilman Stephenson, demand in the amount of \$31.16 was ordered paid for petty cash disbursements for the month of January, 1922.

### Petition Improvement

Petition signed by property owners on Granada street between Lomita and Maple streets, asking that that street be improved was received and upon motion of Councilman Kimlin, the city engineer and city attorney were instructed to prepare the necessary proceedings. Roll call, all voting aye.

### Garbage Contract

On motion of Councilman Kimlin, the mayor and city clerk were instructed to sign in behalf of the city of Glendale contract for garbage disposal from the 15th day of February, 1922, to the 15th day of February, 1924, with S. A. Martin and H. M. Low. Roll call, all voting aye.

### Ordinances Adopted

On motion of Councilman Davis, the following ordinance was adopted as Ordinance No. 538, "An ordinance amending section 18 of Ordinance No. 461, entitled, "An ordinance regulating and licensing the business of carrying passengers for hire in motor vehicles in the city of Glendale."

Ayes, Davis, Kimlin, Robinson, Noes, Lapham, Stephenson.

On motion Councilman Davis, the following ordinance was adopted as Ordinance No. 539, "An ordinance of the council of the city of Glendale amending section 30 of Ordinance No. 274, repealing section 2 of Ordinance No. 507, Ayes, Davis, Kimlin, Lapham, Robinson, Stephenson, Noes, none.

### Edwards & Wildey

Communications received from A. G. Smith, asking permission to set building closer than 25 ft. to street. On motion of Councilman Stephenson, this matter was referred to the building inspector for investigation and report. Roll call, all voting aye.

### Resolution Adopted

On motion of Councilman Kimlin, Resolution No. 1379 was adopted. "A resolution of the council of the city of Glendale ordering certain improvement to be made on a portion of Isabel street and certain streets and alleys intersecting therewith, all in the city of Glendale."

On motion of Councilman Kimlin, Resolution No. 1380 was adopted. "A resolution of the council of the city of Glendale adopting certain maps, plans, and profiles, on file in the office of the city engineer of the city of Glendale."

On motion of Councilman Stephenson, Resolution No. 1381 was adopted. "A resolution of the council of the city of Glendale declaring its intention to improve a portion of Justin avenue and certain streets and alleys intersecting therewith in the city of Glendale and describing the district to be assessed to pay the costs and expenses of said improvement and providing bonds for the payment of same."

On motion of Councilman Davis, the following resolution was adopted as Resolution No. 1382: "A resolution of the council of the city of Glendale, declaring its intention to improve a portion of Lexington Drive and of certain streets and alleys intersecting therewith in the city of Glendale and describing the district to be assessed to pay the cost and expenses of said improvement and providing bonds for the same."

On motion of Councilman Lapham,

the following resolution was adopted as Resolution No. 1383, "A resolution of the council of the city of Glendale declaring its intention to improve a portion of Belmont street, and of certain streets and alleys intersecting therewith in the city of Glendale and describing the district to be assessed to pay the cost and expenses of said improvement and providing bonds for the payment of same."

On motion of Councilman Lapham the following resolution was adopted as Resolution No. 1384, awarding contract improvement on a portion of Dryden street and a portion of Campbell street with a water main. Roll call.

### Ordinances Presented

On motion of Councilman Lapham the following ordinance was presented, read and ordered laid over: "An ordinance of the council of the City of Glendale regulating the establishment, maintenance, conducting and inspection of day nurseries, homes, boarding houses or other places for the reception and care of children."

On motion of Councilman Stephenson, the following ordinance was presented, read and laid over: "An ordinance of the City of Glendale calling a special election to be held on the seventh day of March, 1922, in that territory contained within the boundaries of proposed municipal improvement district No. 5 of said city, providing for submitting to the qualified electors of said district the proposition of incurring a debt by the issuance of bonds of such district for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such district, including the acquisition of lands, waters, water rights, easement, rights of way, structures, pipes, pipe lines, apparatus and all other property and the constructing of mains, conduits and other works necessary for such purpose, provided."

ing for the issuance and sale of such bonds for such purposes and for the levying of a tax for payment of such bonds; and establishing election precincts and polling places in said territory and appointing the officers of election for said special election."

### Easements and Deeds

Several easements and deeds were accepted, after being approved by the city attorney.

### Re-Advertise for Bids

On motion of Councilman Stephenson, bids referred to the superintendent of plant and production for supplying the city with cast iron pipe, were all ordered rejected and the clerk instructed to re-advertise for bids, same to be opened at 7 o'clock February 16, 1922. Roll call, all voting aye.

### Resolutions Adopted

On motion of Councilman Davis, Resolution No. 1385 was adopted, adopting map of Tract No. 4765.

On motion of Councilman Kimlin, Resolution No. 1386 was adopted, adopting map of Tract No. 4636.

On motion of Councilman Lapham, Resolution No. 1387 was adopted, adopting map of Tract No. 4889.

Adjourned to meet in the committee of the whole.

Reconvened, and moved by Councilman Stephenson, that the city manager be instructed to forthwith notify one Geo. W. Hanna that the city of Glendale has sufficient funds available to comply with the terms of that certain contract of date May 8, 1919, between the city of Glendale, the party of the first part, and the said Geo. W. Hanna of Los Angeles, California, the said party of the second part, all voting aye, carried.

Moved by Councilman Kimlin that the city engineer and city attorney be instructed to prepare the necessary proceedings to widen Granada street from Maple to Lomita, all voting aye, carried.

Adjourned.

**CHARLES B. GUTHRIE**  
103 1/2 S. Brand Blvd. Glendale, 1.

## A GOOD HOME ON A GOOD STREET

There are many good long, short and wide streets in Glendale. They all have some good homes on them. But there is one good long wide street that has all good homes on it. That street is Central avenue.

Would you like to own on North Central avenue, a nice, five-room bungalow, close in, with a pretty lawn with pretty shrubs and flowers and with many kinds of bearing fruit trees in the back yard?

Circumstances compel me to make a quick move north and this bungalow will be sold at a sacrifice price. Local arrangements will be made for satisfactory cash and monthly payments.

The sacrifice price will not permit listing, and paying an agent's commission, nor is it convenient to show the property except by appointment. If you are a bona fide buyer I will be pleased to make an appointment with you. Phone Glendale 1692-J.

**HERE IT IS**  
Are you looking for a neat, new, modern little home with a price that is fair and terms that anyone can meet?

Is it a lot you are looking for? We have small lots and large lots; lots close in and far out; lots for speculation and lots for your home. It is no trouble for us to find what you want, or sell what you have.

Call on us.

D. W. STEPHENSON, W. M.

**GLENDALE INTERMEDIATE SCHOOL NOTICE TO CONTRACTORS**  
Notice is hereby given that the Board of Education of the Glendale City School District of the County of Los Angeles, California, will receive sealed bids on or before 7:30 p. m., Tuesday, February 28, 1922, at Board of Education rooms, Wilson Avenue School, corner of Wilson and Kenwood Avenues, Glendale, California, at which time and place said bids will be opened and read in public for furnishing, construction, erection and completion of a class C intermediate school building at Glendale Avenue and Park Avenue in accordance with plans and specifications prepared therefor by Alfred E. Priest, Architect and Engineer, 617-619 Fay Bldg., Los Angeles, California. Bids will be received separately for each kind of work as follows:

1. General;  
2. Plumbing, gas, sewerage, and water drainage;  
3. Electric wiring and fixtures;  
4. Program clocks and fire alarms;  
5. Heating;  
6. Steam heating;  
7. Ventilating.

Cashier's certified check, or bidder's bond issued by a surety company, for an amount not less than five (5%) per cent of the amount of bid shall accompany each proposal, drawn payable to the order of Board of Education of the Glendale City School District, as a guarantee that the bidder will enter into and complete the contract if awarded the same. If the bidder refuses to enter into said contract after the award is made, he will be declared forfeited of his bid and his money shall be forfeited to the Board of Education.

The successful bidder will be required to furnish two bonds of a surety company satisfactory to said Board of Education covering an amount equal to 15% of the contract price.

All bids must be made on forms furnished by said architect and engineer.

Plans and specifications for all the above work may be seen at the office of the architect and engineer, or at the office of the Board of Education, intermediate school building.

All bidders will be required to deposit to be refunded to bidders when plans and specifications are returned in good condition.

Said Board of Education reserves the right to reject any or all bids, and to waive any informality in any bid received.

A successful contractor shall be required to file with the Secretary of the Board of Education, a letter from a general agent of some approved insurance company stating that he has obtained unlimited compensation insurance to fully cover all claims of this employer during the erection of this building.

By order of the Board of Education of the Glendale City School District.  
D. J. HIBBEN,  
President of said Board.

Notified of said Board.  
Secretary of said Board,  
February 7, 1922.  
Feb. 10-17-24.

#### CERTIFICATE OF BUSINESS

The undersigned do hereby certify that they are conducting a Real Estate and Investment business at 229 North Brand, Glendale, California, under the fictitious firm name of Wallace Plumb Co., and that said firm is composed of the following persons, whose names and addresses are as follows, to-wit:

W. Wallace Plumb, 428 West Myrtle Ave., Chas. A. Plumb, 343 West Milford St., Glendale, California.

Witness our hands this 2nd day of February, 1922.

W. WALLACE PLUMB,  
CHAS. A. PLUMB,  
State of California, County of Los Angeles, ss.

On the second day of February in the year nineteen hundred and twenty-two, before me, Geo. O. Piercey, a Notary Public in and for said County, Northern California, duly commissioned and sworn, personally appeared W. Wallace Plumb and Chas. A. Plumb, known to me to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same.

Witness my hand and official seal.

Notary Public for said County and State of California.

Commission expires May 6, 1925.  
2-3, 4-10, 2-17, 2-24, 3-2.

## SCOUTS WILL HONOR MAYOR ROBINSON AT CEREMONIES

Head of City to Be Taken in  
Organization Saturday at  
City Hall Gathering

Glendale Boy Scouts have completed all arrangements for the installation of Mayor Spencer Robinson as an Honorary Tenderfoot Boy Scout of America. The ceremony will take place Saturday afternoon at 1 o'clock on the steps of the city hall. The three Glendale troops of scouts will line up in parade formation, each taking a distinct part in the ceremony.

The honorary membership tendered Mayor Robinson is part of the program arranged by the national commission in celebrating their twelfth anniversary. Mayors of all cities and governors of all states have been asked to accept the honorary membership. Governor Stephens of California and Mayor Cryer of Los Angeles have received the oath and law of the tenderfoot scout.

### To Get Scout Badge

Eagle Scouts and Scoutmaster Ben Robinson of Troop 2 will present Mayor Robinson with the scout badge after delivering a short talk on the meaning of the scout badge and its origin. Eagle Scout Robert Searle, of Troop 1, will present the certificate of membership from the national organization.

Robert N. Taylor, pioneer scout leader of California, will address the assembly on the history of the scout organization. He will also discuss "anniversary week," and its importance to the scout organization.

Four boys of each of the three troops will recite one of the scout laws, following which the Boy Scout oath will be taken by Mayor Robinson. He will respond with a short talk.

### Talk by Minister

The celebration of the twelfth anniversary week will be concluded Sunday night at the Congregational church. A non-sectarian sermon will be delivered by the Rev. Chas. M. Calderwood on the scouts and the scout organization. An invitation has been extended to all troops of the city to attend the services.

Complying with the established plan of the National Boy Scout Council, all scouts will attend their church Sunday school services during the morning.

Scout leaders of Glendale, Burbank and Eagle Rock will attend a gigantic celebration at the Polytechnic High school in Los Angeles Saturday night. The program includes a monster demonstration of boy scout activities, staged by Los Angeles boy scout troops.

Scouts of Troop 2 will meet in their cabin in the Varsity Woodlands Friday night to celebrate the twelfth anniversary of the organization. Scoutmaster Benjamin Robinson will have charge of the festivities.

Don't forget our opening day which will be very soon. Let children come; get one of our caps. Japan Art & Tea Co.—Adv.

The centipede is active and ferocious. It has many joints and each joint has a pair of legs. It is venomous.

## ORNAMENTAL LIGHTS ON SAN FERNANDO ROAD PROPOSED

Boulevard Improvement Club's  
Members Discuss Number  
of Civic Improvements

(Continued from Page 1)  
members would be informed of the action of each meeting by mail.

The desirability of promoting the construction of a bridge across the Los Angeles river at Park avenue in order to provide convenient access to Griffith park was discussed briefly. One member asserted, with a laugh, that the city council of Los Angeles should be given a vote of thanks for creating such a fine park so close to Glendale. Attention was called to the fact that it is seven miles between the bridge at Los Feliz Road, which is frequently overcrowded, and the bridge at Burbank.

### Expenditures on Park

Some disgust was expressed over the expenditure of any more money by the city to cultivate its park in the northwest part of the city. Assertion was made that a channel about six feet wide had been cut through the middle of this and that it probably would cost as much as the property was worth to have this beautified.

"We have one of the greatest boulevards in the world," declared Mr. Wilson. "The fact isn't any doubt about it. San Fernando Road is one of the longest boulevards in the state and California has the best boulevards in the country. It is one of the poorest-lighted boulevards of any city you pass through. Brand boulevard is one of the best lighted."

"Thousands of people pass along here who never see Glendale. I dare say that out of every bus that passes here only one of twenty are familiar with Glendale."

### Street To Be Proud Of

Mr. Wilson asserted that he had visited San Fernando Road about twenty times personally before he had ever seen the business district.

He said he had been informed through the Chamber of Commerce of a man who had just located the intersection of Brand boulevard and San Fernando Road for the past eight years. He suggested that there must be thousands the same way.

"We have a street here of which we need to be proud," continued Mr. Wilson. "It ought to be lighted. You can go out here now about 800 feet before you find a light—a small light."

"It is only a question of time until San Fernando Road is a business street. Business is coming along. I won't say that it will be as busy as Brand boulevard, but I will say that in three years there will be business from Los Feliz Road to Pacific avenue. One of the biggest things to bring that business will be lights."

"I think we stand in well with the city administration. I think we can get almost anything we want in reason. I know, if we will go after the lights and get a petition just the same as for a street we can get lights here. I talked with the city manager and the city engineer the other day and they informed me that, if we brought in a petition, we would have no difficulty at all."

### Most Economical System

Personally Mr. Wilson is in favor of a cluster of three lights upon standards staggered on opposite sides of the street every seventy-five feet. The distance between lights on the same side of the street would be 150 feet. He said he had been informed at the city engineer's office that the system of staggering lights was by far the most economical. It was suggested that additional lights might be easily added later.

The expense of the installation of a lighting system, according to Mr. Wilson, would be borne by the property owners while the city would provide and maintain the service, which, he stated, would be the big cost after all.

As the owner of one of the longest stretches along San Fernando Road, Mr. Wilson declared that he considered the expense involved in the installation of a lighting system a good investment. He said that he had found owners of similar stretches felt the same way and were most eager for the lights.

"You know what a lighting system would mean," exclaimed Mr. Wilson. "It wouldn't increase property values ten per cent; it wouldn't increase property values five per cent—it would increase them 20 per cent."

### Great Need for It

A. M. Salver of 1253 South San Fernando Road said: "I think that we have certainly a great need for lighting up our streets."

"Another thing that comes to my mind! It seems to me that we ought to have some opinion on the matter of the municipal bus line."

Mr. Salver declared that it was not always advisable merely to pass resolutions and talk and that it was not much use to fight an enemy with grass and therefore offering the Pacific Electric some actual competition might work wonders. He suggested that it might be possible that civilization has entered a new era in transportation in which the bus would supersede the street car. He commended the drastic action taken by the city administration.

### BOY, 6, DIES OF INJURIES

PETALUMA, Feb. 10.—John Lemos, 6, who sustained a fractured skull yesterday when an electric train hit a light automobile truck in which he was riding at Corona Crossing, has died. His brother, Manuel, is not expected to live. E. T. Cullen, driver, was slightly improved. A third child hurt in the crash will recover.
